The background is a solid yellow color. Overlaid on this are several faint, thin, light-yellow lines that form abstract, scribbled shapes, resembling hand-drawn sketches or doodles. These lines are scattered across the upper and middle portions of the image.

# 2022 BIG BOLD PRAYERS

**BIG BOLD PRAYERS** are gigantic prayers far outside of your ability to achieve. These are prayers that only God can answer because they are beyond what you can control. We serve a **BIG GOD**, and your family can be praying for **BIG** things this year.

# 2022 Family Hopes and Dreams

Spend some time talking about the upcoming year and write down the hopes and dreams for your family in these areas. You'll prayerfully convert these to goals later on.

# 2022 GOALS

Some of your goals might be really big. Big goals sometimes need to be broken down in to smaller parts to be accomplished in a specific order, or to be accomplished incrementally.

Use this page, if needed, to unpack those goals into smaller easier steps.

# 2022 GOALS

This journal is designed to help you live with Intentional Direction inside your family. Setting goals is only one part of that process. To be successful at living out your goals you must attach action steps to the goals, review them often, celebrate any accomplishments, and assign responsibility for goals.

**At the beginning of each month you will:**

## *REFLECT:*

What are you thankful for in the previous month?

Who are you proud of and why?

What/Who do you need to celebrate?

What prayers did God answer?

How did God come through for you in a way you didn't expect?

## *PLAN:*

What Family Core Value are you focusing on this month?

(it can be the same as the previous month)

What goals are you working towards this month?

What are your Big Bold Prayers for the year and how can you focus on them this month?

## *ASSIGN:*

**Weekly Goal Captain** – responsible for leading the family in action that week. Put any applicable action steps on the family calendar.

## *PARENTS:*

We suggest this activity become a tradition. Whether it is the 1st Sunday night of each month, or on the 1st day of each month – make it special. It doesn't have to be an extended period of time, just a simple review and planning session. Rotate the Weekly Goal Captain to each member of the family. It's okay if somebody is the captain more than once per month. If a child is old enough to understand the responsibility, they're old enough to be the captain. (In fact, they might hold you accountable better than you hold yourself.)
