**Brian Simmons** and his wife Candice have been described as true pioneers in ministry. As a spiritual father and mother, their teaching and spiritual gifts have opened doors in many nations to take the message of authentic awakening and revival to many. For the last 40 years, they have labored together to present Christ in His fullness wherever God sends them. Dr. Simmons is currently working as the lead translator of The Passion Translation. After a dramatic conversion to Christ in 1971, Brian and Candice answered the call of God to leave everything behind and become missionaries to unreached peoples. As a linguist, Brian also served on a team to translate the New Testament into the Paya-Kuna language.

A person wearing a white short-sleeved shirt is kneeling in a field of tall grass. They are seen from behind, with their right arm raised towards the sky. The sun is low on the horizon, creating a bright glow and lens flare. The sky is filled with soft, wispy clouds. The overall mood is peaceful and contemplative.

The Four Riders  
and the Unveiled Christ

Masterclass with Brian Simmons

An open, antique book with a golden crown resting on its pages. The background is a dark, starry sky with floating particles and faint, ethereal figures. The text "The Book of Revelation" is centered over the book in a white, bold font.

# The Book of Revelation

**Revelation. *The unveiling*—not  
concealment:**

Meaning of apokalypsis: Not  
destruction, but disclosure  
and revelation.

The pulling back of a curtain.

**The nature of unveiling:**

Removal of what obscures  
Christ.

God lifting false perceptions.

Revealing the radiant glory of  
Jesus.

**Reframing the four horsemen:**

NOT agents of terror.

Agents of spiritual unveiling.

The focus shifts:  
From external devastation, to:  
Internal transformation.

**The problem of  
misinterpretation:**

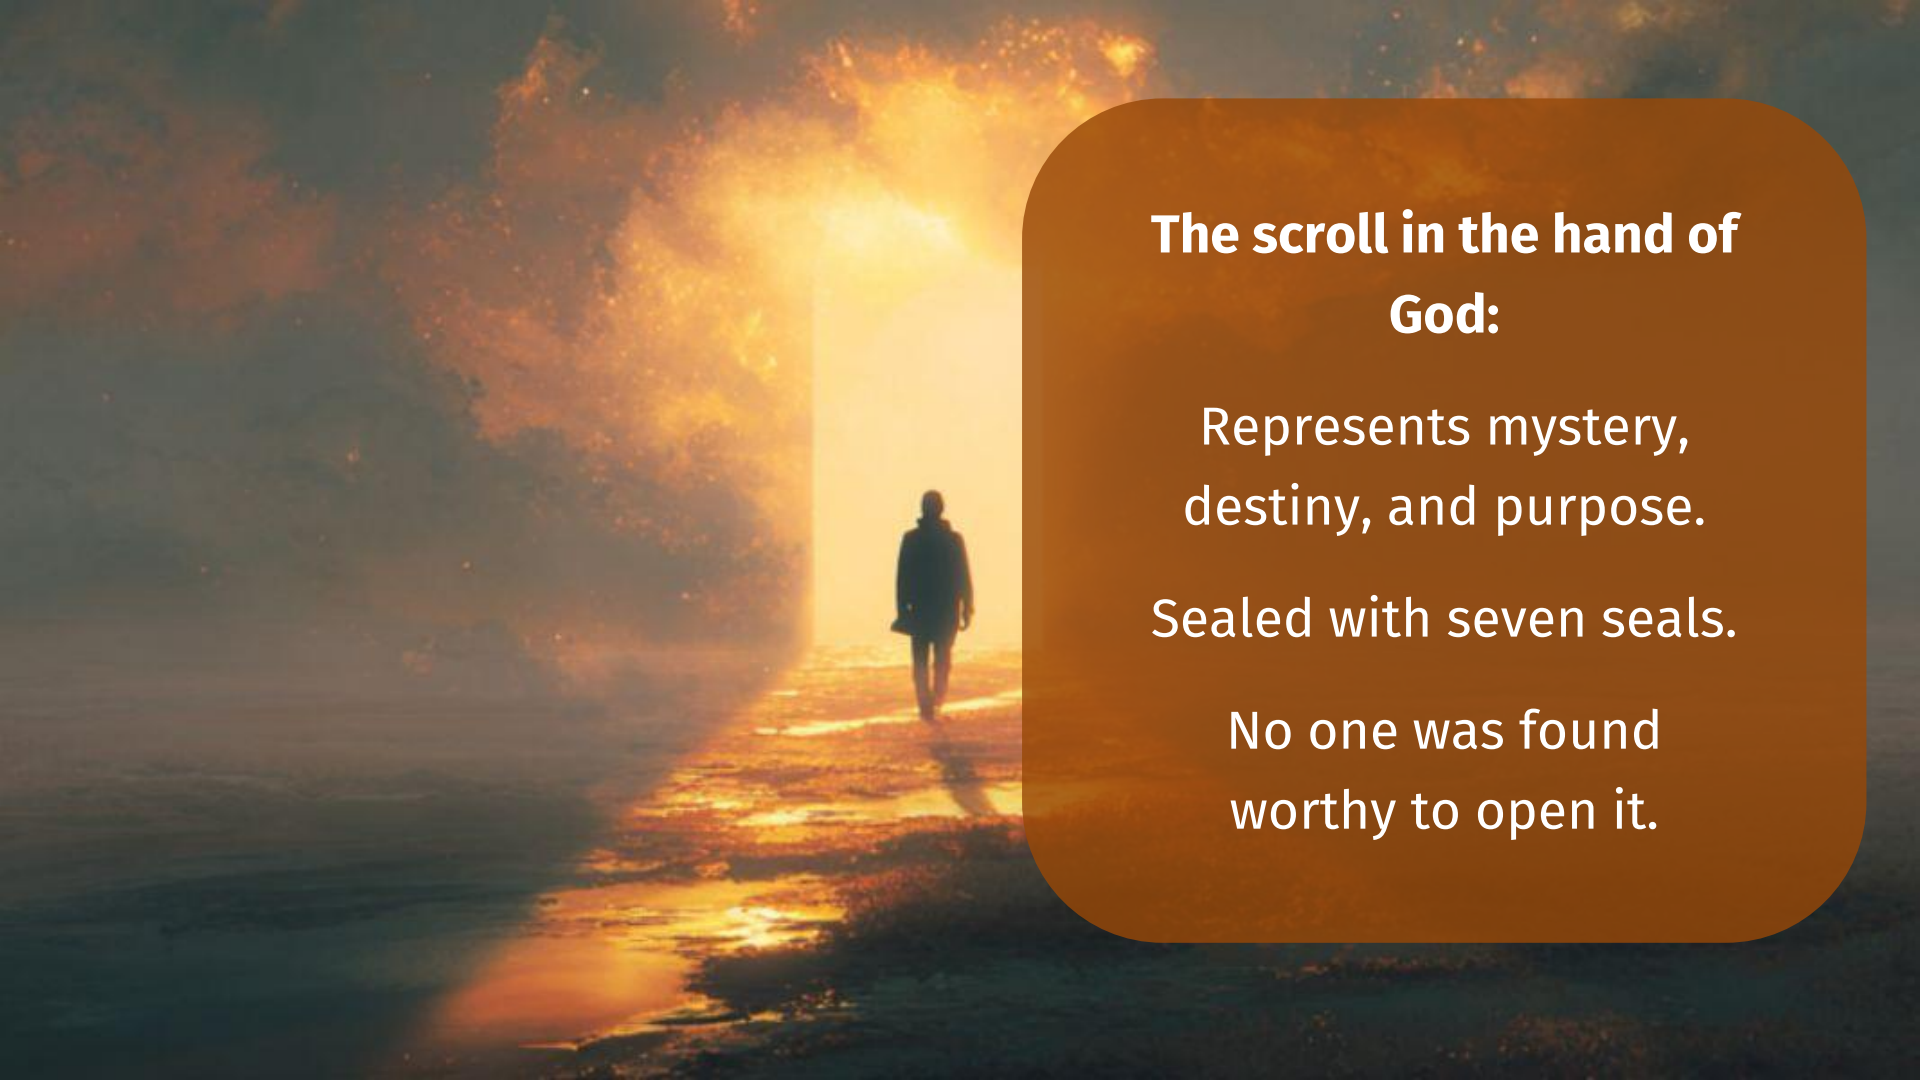

Fear has dominated  
interpretation of Revelation.

Heaven presents a different  
narrative.

A person is walking away from the viewer down a path towards a bright, glowing doorway or portal. The scene is surrounded by a fiery, orange and yellow light, suggesting a heavenly or divine atmosphere. The person is silhouetted against the bright light of the doorway.

**The Heavenly Scene: Scroll,  
Lamb, and Authority**

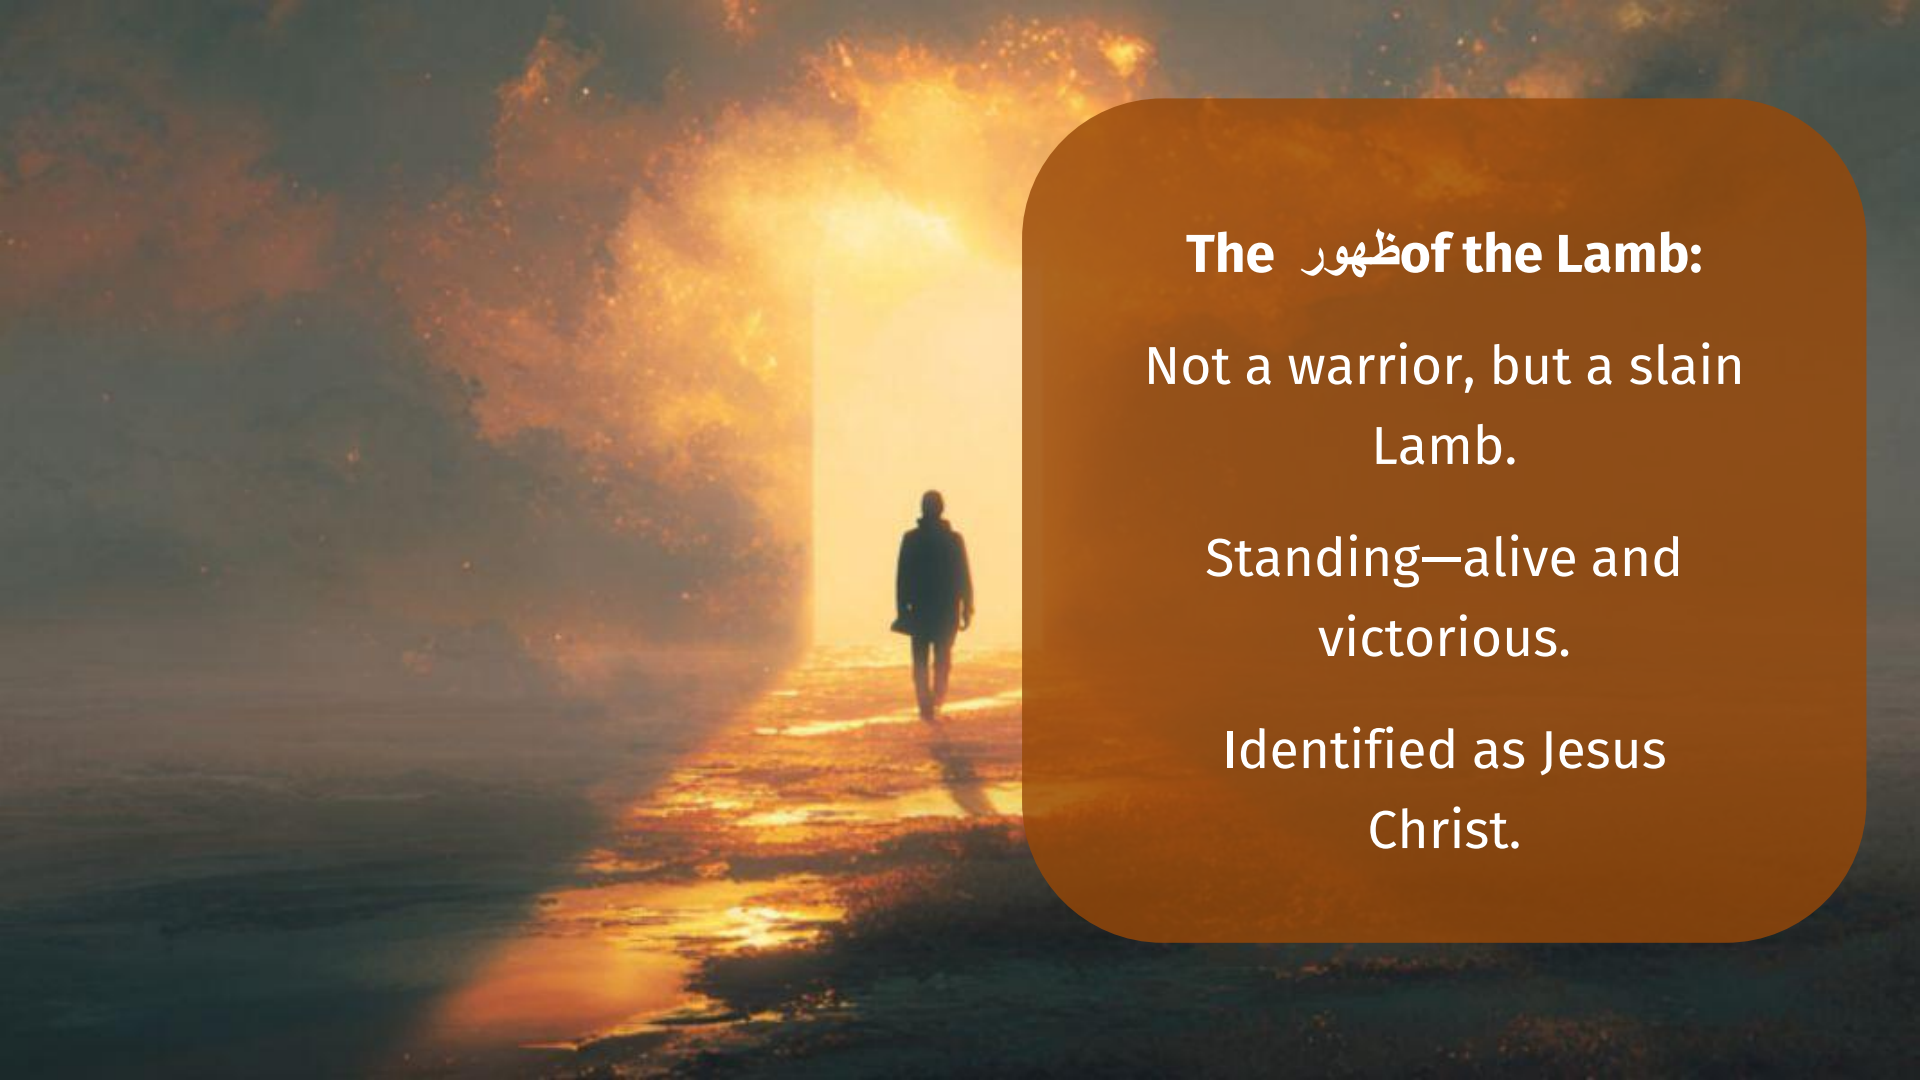

**The scroll in the hand of  
God:**

Represents mystery,  
destiny, and purpose.

Sealed with seven seals.

No one was found  
worthy to open it.

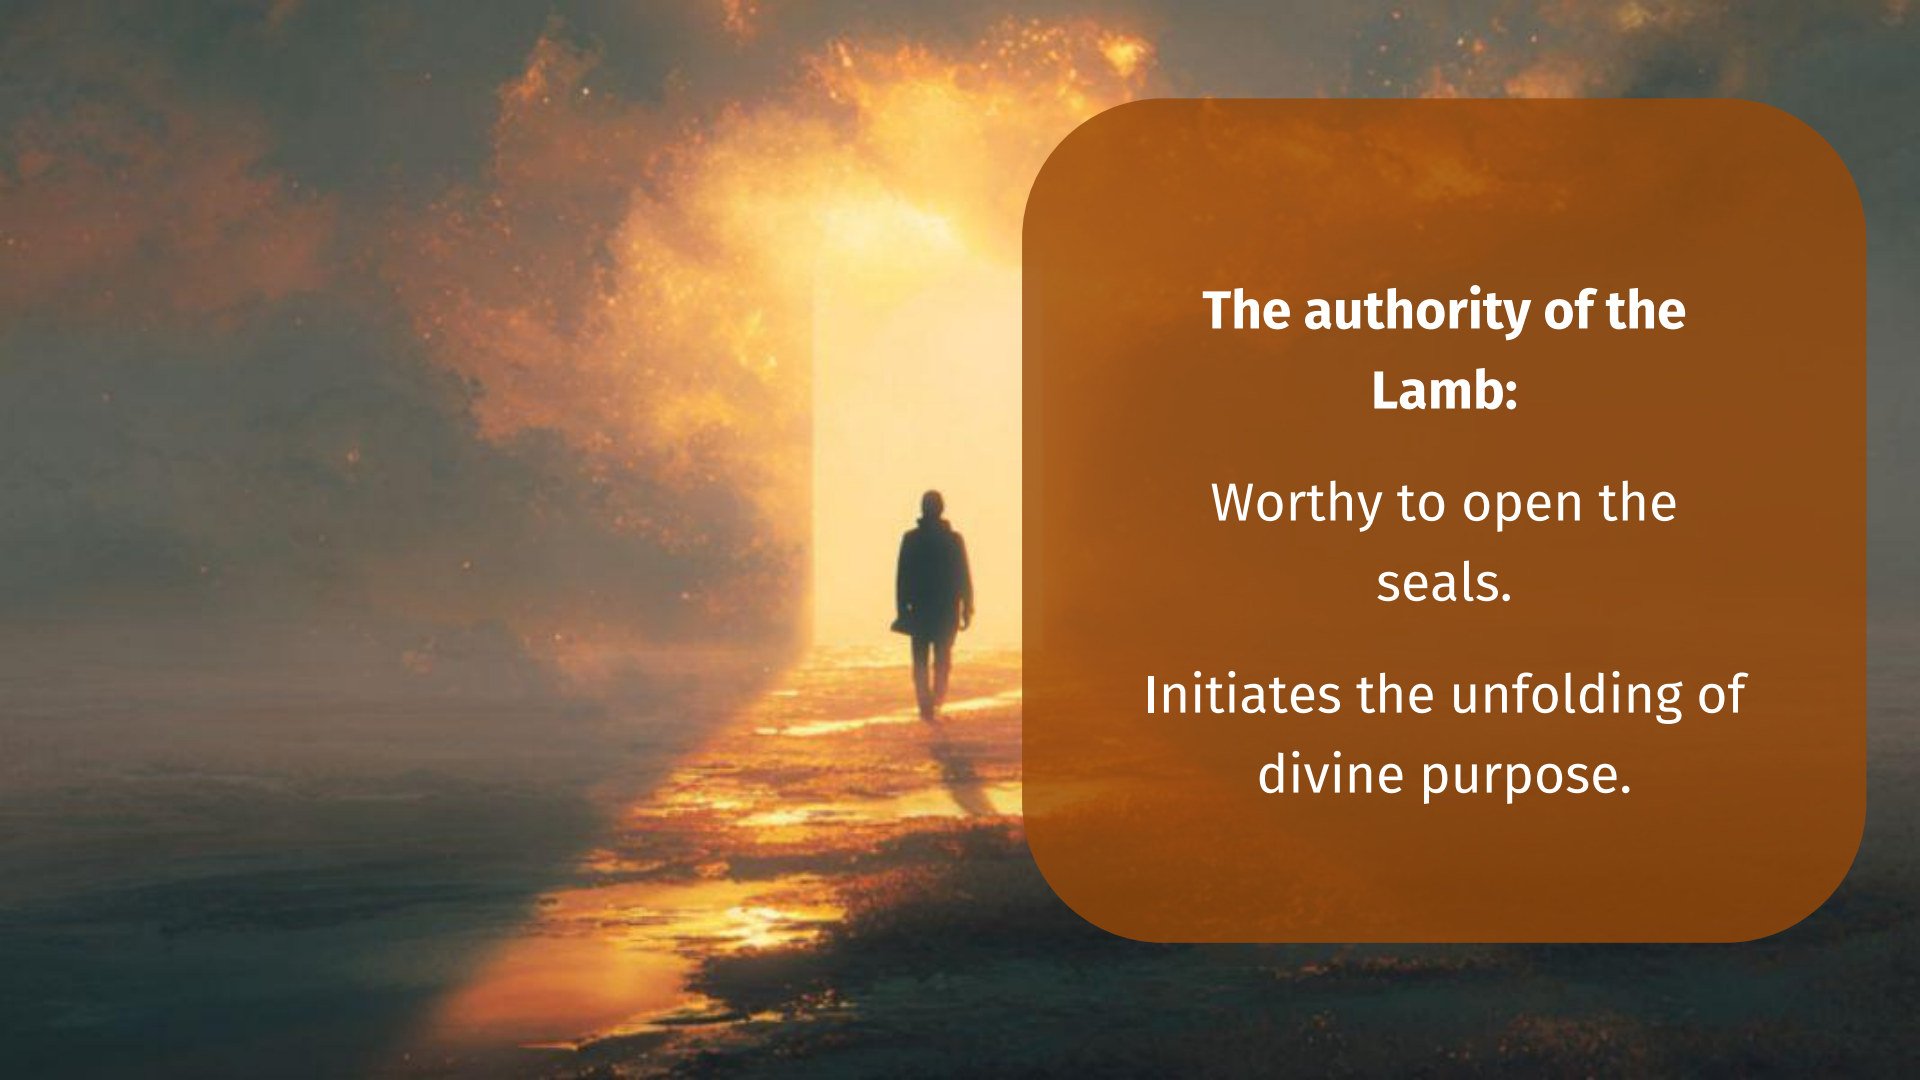

**The ظهور of the Lamb:**

Not a warrior, but a slain  
Lamb.

Standing—alive and  
victorious.

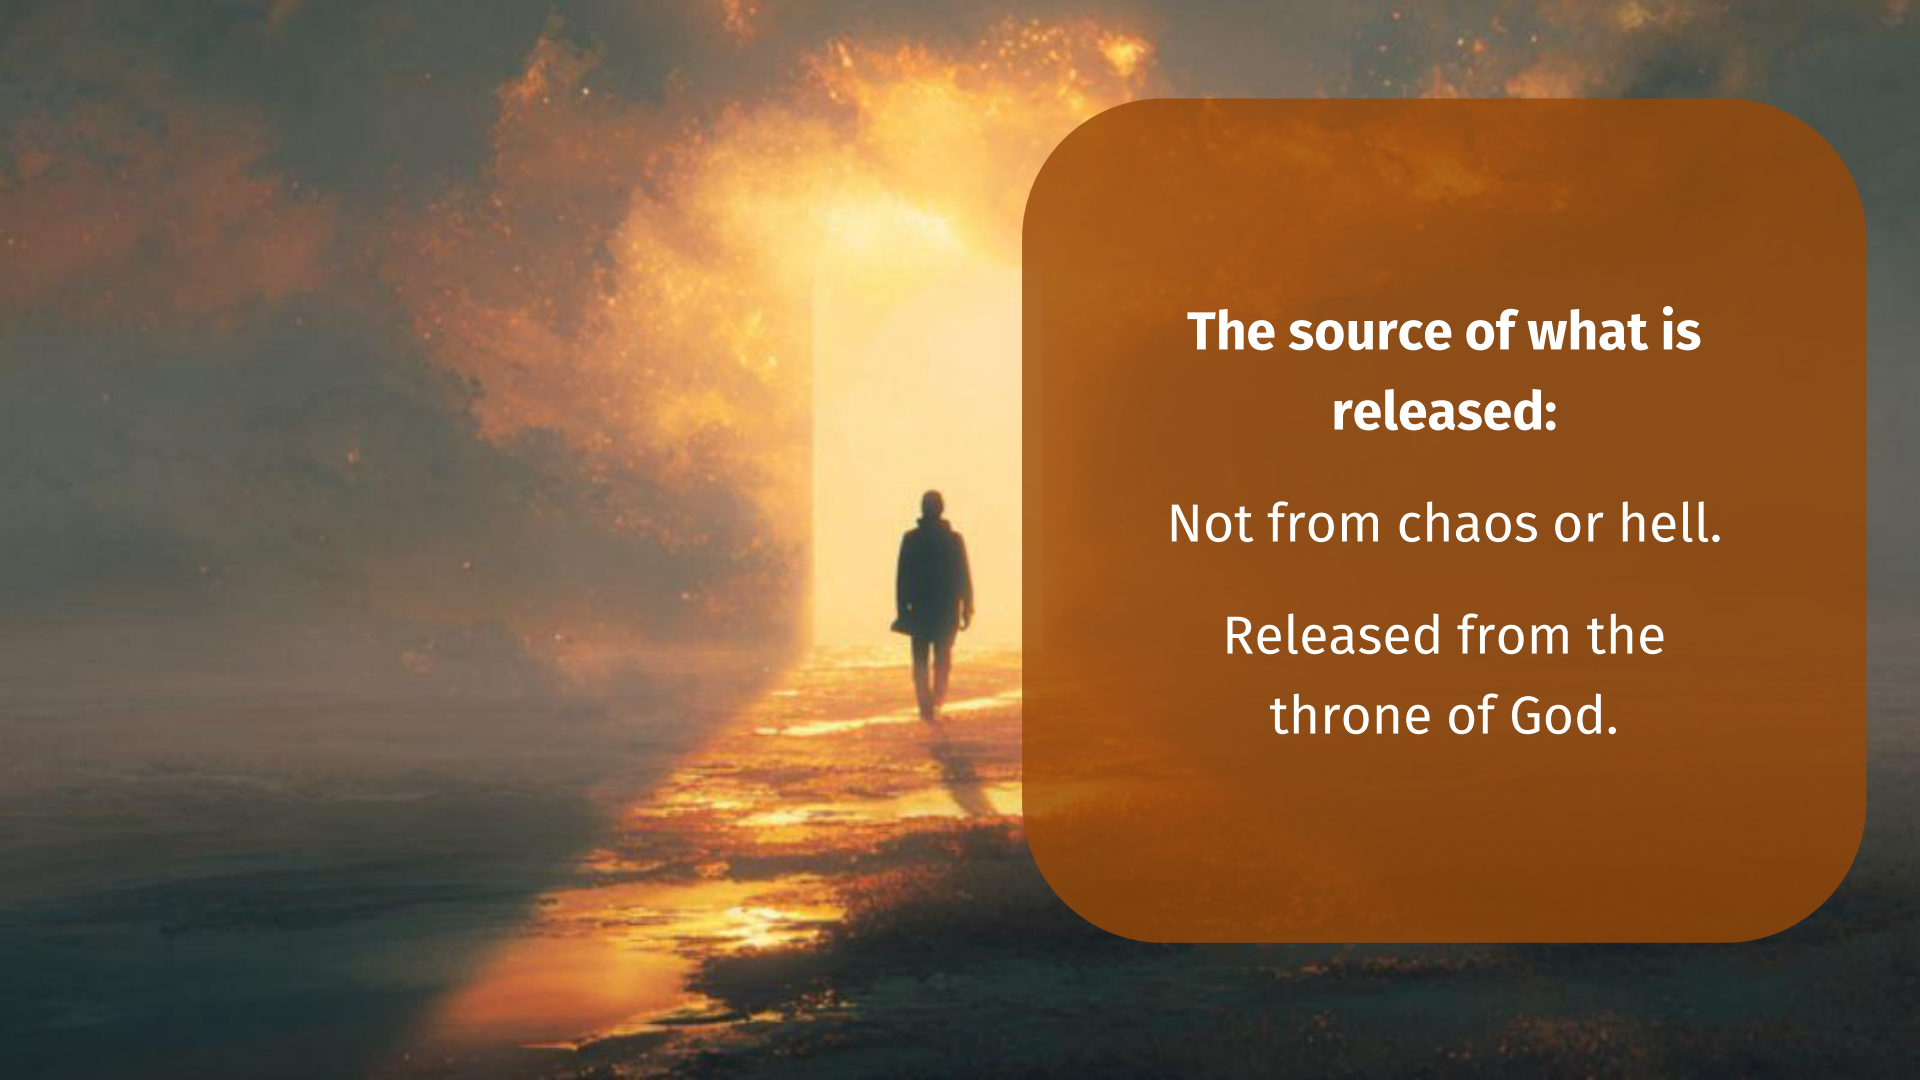

Identified as Jesus  
Christ.

**The authority of the  
Lamb:**

Worthy to open the  
seals.

Initiates the unfolding of  
divine purpose.

**The source of what is  
released:**

Not from chaos or hell.

Released from the  
throne of God.

# The Role of the Four Living Creatures

**Identity and nature:**

Burning ones.

Guardians of divine presence

**Their function:**

They do not resist the  
unfolding.

They actively summon it.

**The divine invitation:**

“Come and see.”

Invitation to revelation, not  
fear.

**The nature of Heaven's  
activity:**

Heaven is not reacting.

Heaven is initiating.

**The First Rider. The White  
Horse—Christ Conquering  
Within**

## **Description of the Rider:**

White horse: Purity and victory.

Bow: Intentional focus.

Crown: Authorized rule.

Mission: Conquering and to conquer.

## **Identity of the Rider:**

Not counterfeit or  
deception.

Represents Christ's  
victorious expansion.

**Corporate meaning:**

Advancement of the  
gospel.

Movement through  
hearts, cities, and  
nations.

**Personal application:**

Christ conquering within  
the believer.

Targets: Fear, resistance,  
and self-rule.

**Nature of His conquest:**

Not destruction, but  
transformation.

Winning the heart, not  
overpowering it.

**Key truth:** Jesus does  
not only save, **He *reigns*.**

**The Second Rider. The Red  
Horse: The War that Purifies**

**Description of the Rider:**

Red horse: Intensity and  
conflict.

Removes peace from the  
earth.

**Reframing the conflict:**  
Not meaningless violence.  
**A divine disruption with  
purpose.**

**The problem of false peace:**

Compromise with darkness.

Superficial calm.

Numbed conviction.

**The purpose of the Red Horse:**

Removes counterfeit peace.

Establishes true  
righteousness.

**Jesus' teaching connection:**  
Not peace as the world gives.  
A dividing sword of truth.

**What this rider releases:**

Conviction that awakens.

Truth that confronts.

Fire that refines.

**Personal application:**

Internal spiritual conflict.

Breaking agreement with  
darkness.

**Key truth:** God's disruption is mercy, not harm.

**The Third Rider: The Black  
Horse—Divine Evaluation**

**Description of the Rider:**

Black horse.

Holds scales.

**Meaning of the scales:**

Measurement and  
evaluation.

Spiritual precision, not  
economic fear.

**What is being weighed:**

Motives.

Desires.

Loyalties.

**Purpose of the  
evaluation:**

Reveals eternal vs.  
temporary.

Brings clarity, not  
condemnation.

## **The Voice from Heaven:**

Declares measured  
provision.

Indicates careful divine  
oversight.

**The protection of oil and  
wine:**

Oil: The Spirit.

Wine: Joy and covenant  
life.

These remain  
untouched.

**Personal application:**

Realignment of  
priorities.

Exposure of false  
foundations.

**Key truth:** God removes what is not life to reveal what *is*.

A pale horse with a white mane and tail is running across a grassy field. The background is a soft, out-of-focus sunset with warm orange and yellow light. The horse is captured in mid-stride, moving from left to right.

**The Fourth Rider. The Pale  
Horse—Death that Leads to Life**

A brown horse with a white blaze on its face is running through a field of tall grass. The background is a soft, out-of-focus sunset with warm orange and yellow light. The horse is captured in mid-stride, moving from left to right.

**Description of the Rider:**

Pale (green) horse.

Rider named Death.

Hades follows.

A brown horse with a white blaze on its face is running through a field of tall grass. The background is a soft, out-of-focus landscape with a warm, golden light, suggesting a sunset or sunrise. The horse is captured in motion, with its mane and tail slightly blurred.

**Reframing death:**

Not final destruction.

**A transition in God's Kingdom.**

A brown horse with a white blaze on its face is running through a field of tall grass. The background is a soft, out-of-focus sunset with warm orange and yellow light. The horse is captured in mid-stride, moving from left to right.

**What dies:**

Old nature.

False identity.

Self-centered life.

A brown horse with a white blaze on its face is running through a field of tall grass. The background is a soft, out-of-focus landscape with a warm, golden light, suggesting a sunset or sunrise. The horse is captured in mid-stride, moving from left to right.

**Spiritual meaning:**

Crucifixion of self.

Surrender of what cannot  
inherit the Kingdom.

A brown horse with a white blaze on its face is running through a field of tall grass. The background is a soft, out-of-focus landscape with a warm, golden light, suggesting a sunset or sunrise. The horse is captured in mid-stride, moving from left to right.

**Biblical foundation:**

*“You have died ... Your life is  
hidden with Christ.”*

A brown horse with a white blaze on its face is running through a field of tall grass. The background is a soft, golden sunset sky. The horse is captured in mid-stride, moving from left to right. A dark green rounded rectangle is overlaid on the left side of the image, containing white text.

**Connection to resurrection:**

Death precedes new life.

Surrender precedes glory.

A brown horse with a white blaze on its face is running through a field of tall grass. The background is a soft, out-of-focus landscape with a warm, golden light, suggesting a sunset or sunrise. The horse is captured in motion, with its mane and tail slightly blurred.

**Personal application:**

Letting go of old identity.

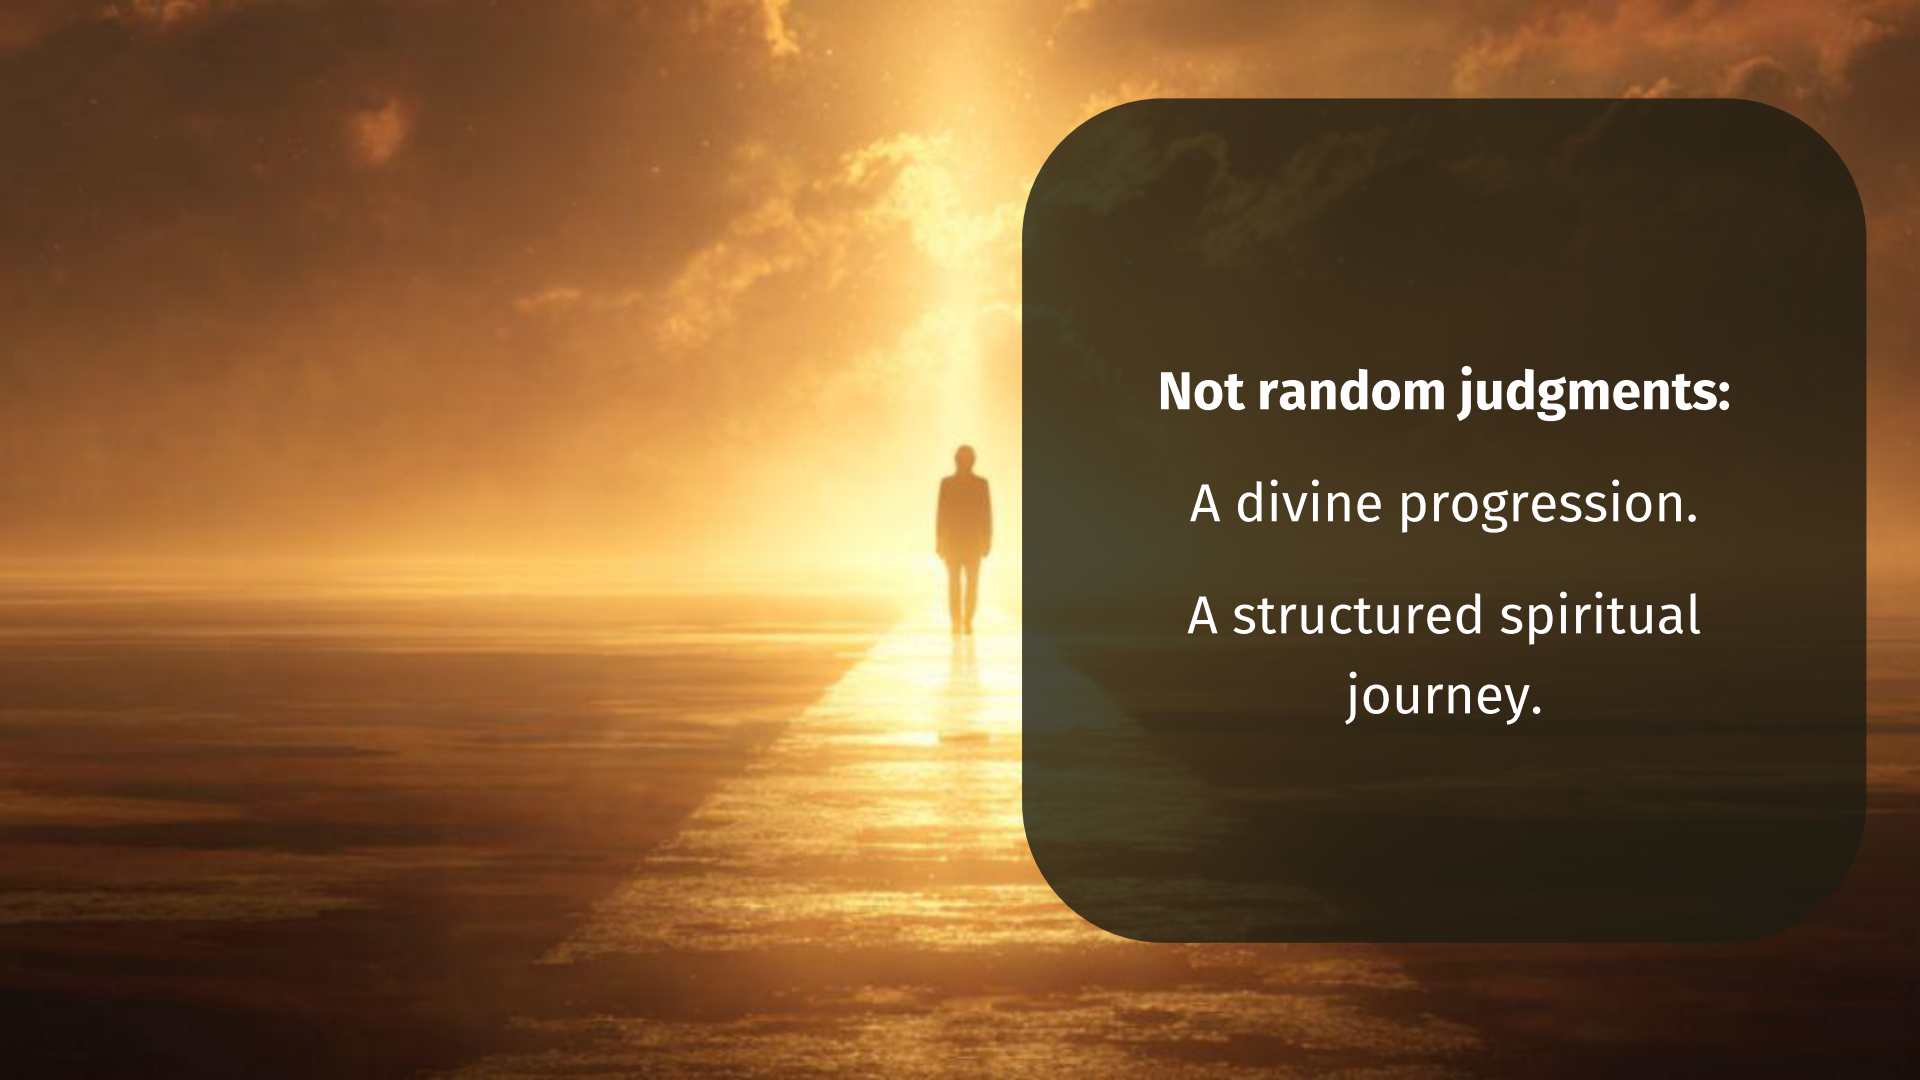

Entering newness of life.

A photograph of a brown horse with a white blaze on its face, running through a field of tall grass. The background is a soft, out-of-focus sunset with warm orange and yellow light. A dark green rounded rectangle is overlaid on the left side of the image, containing white text.

**Key truth: Death becomes a  
servant of transformation.**

A silhouette of a person stands on a path that leads towards a bright, glowing light source in a cloudy sky. The light creates a strong lens flare effect, illuminating the path and the person. The overall color palette is warm, dominated by oranges, yellows, and browns.

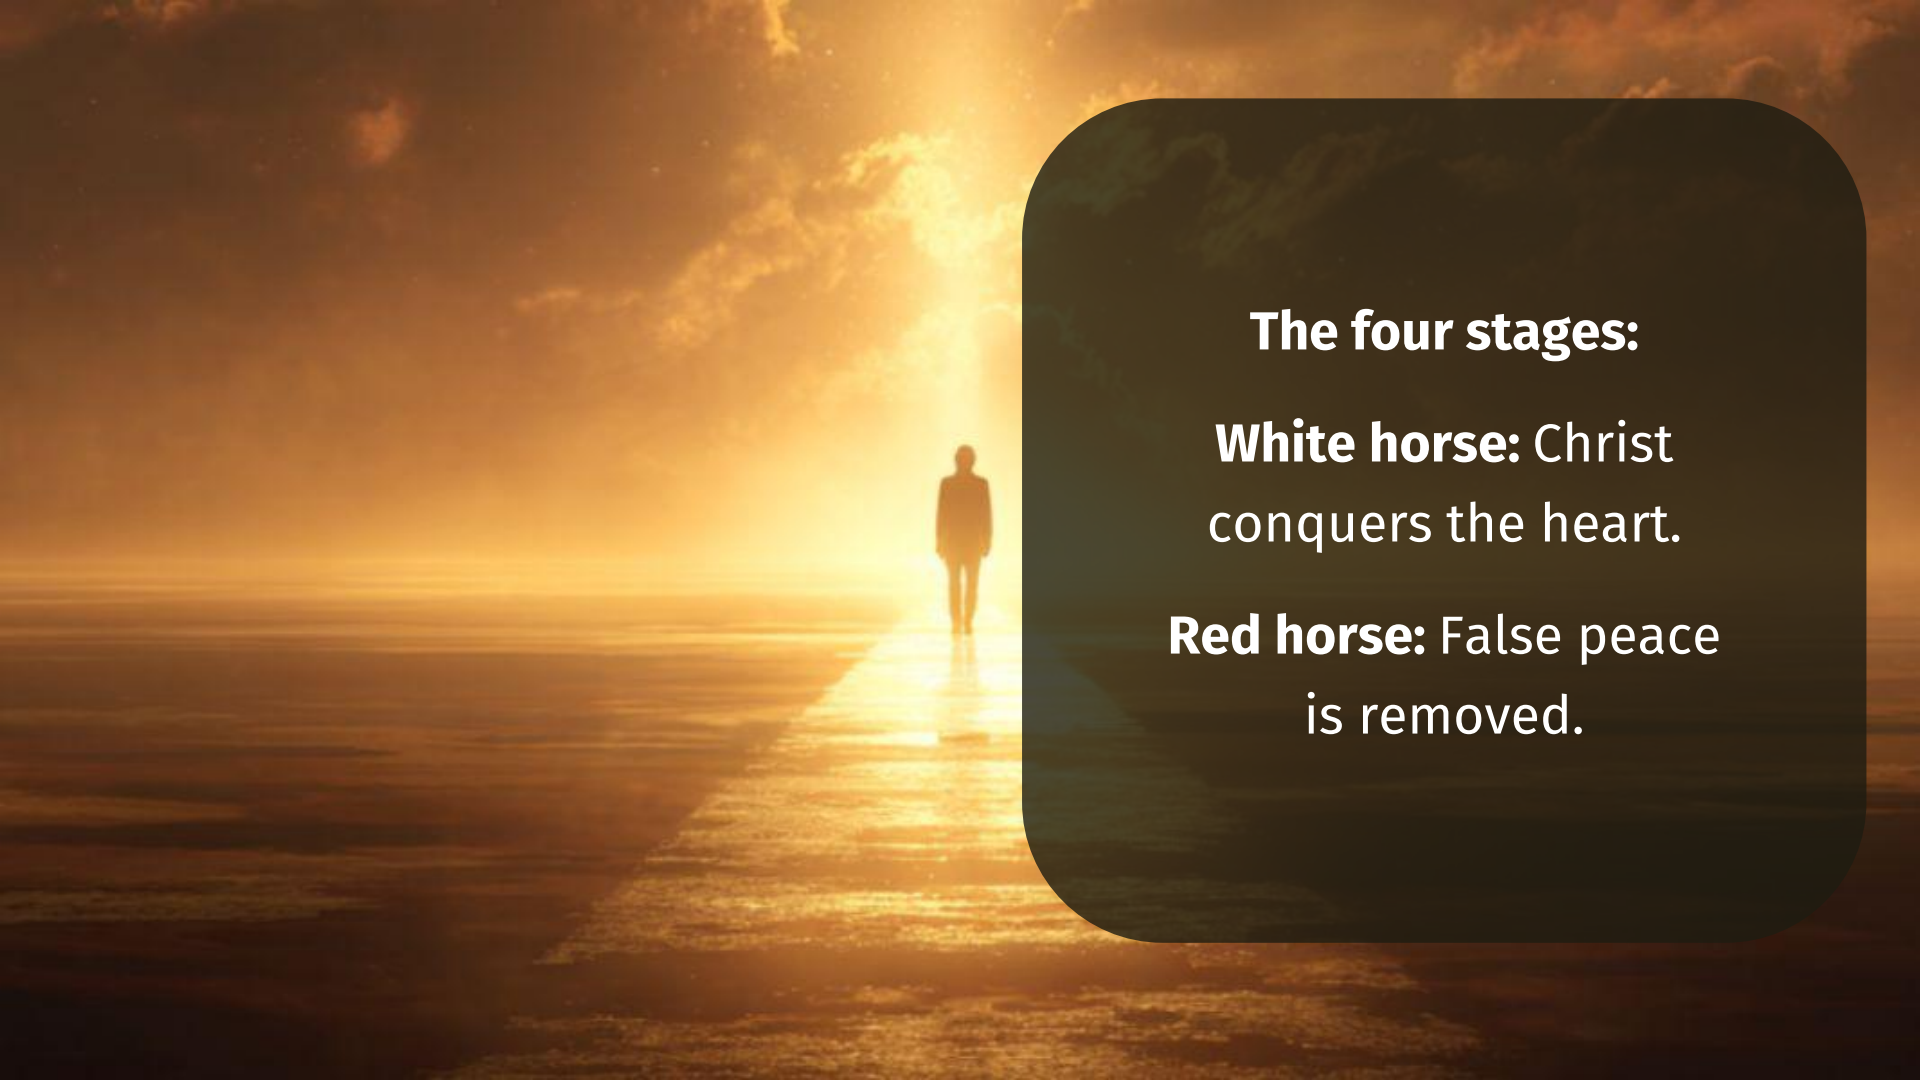

# **The Fourfold Movement of Transformation**

**Not random judgments:**

A divine progression.

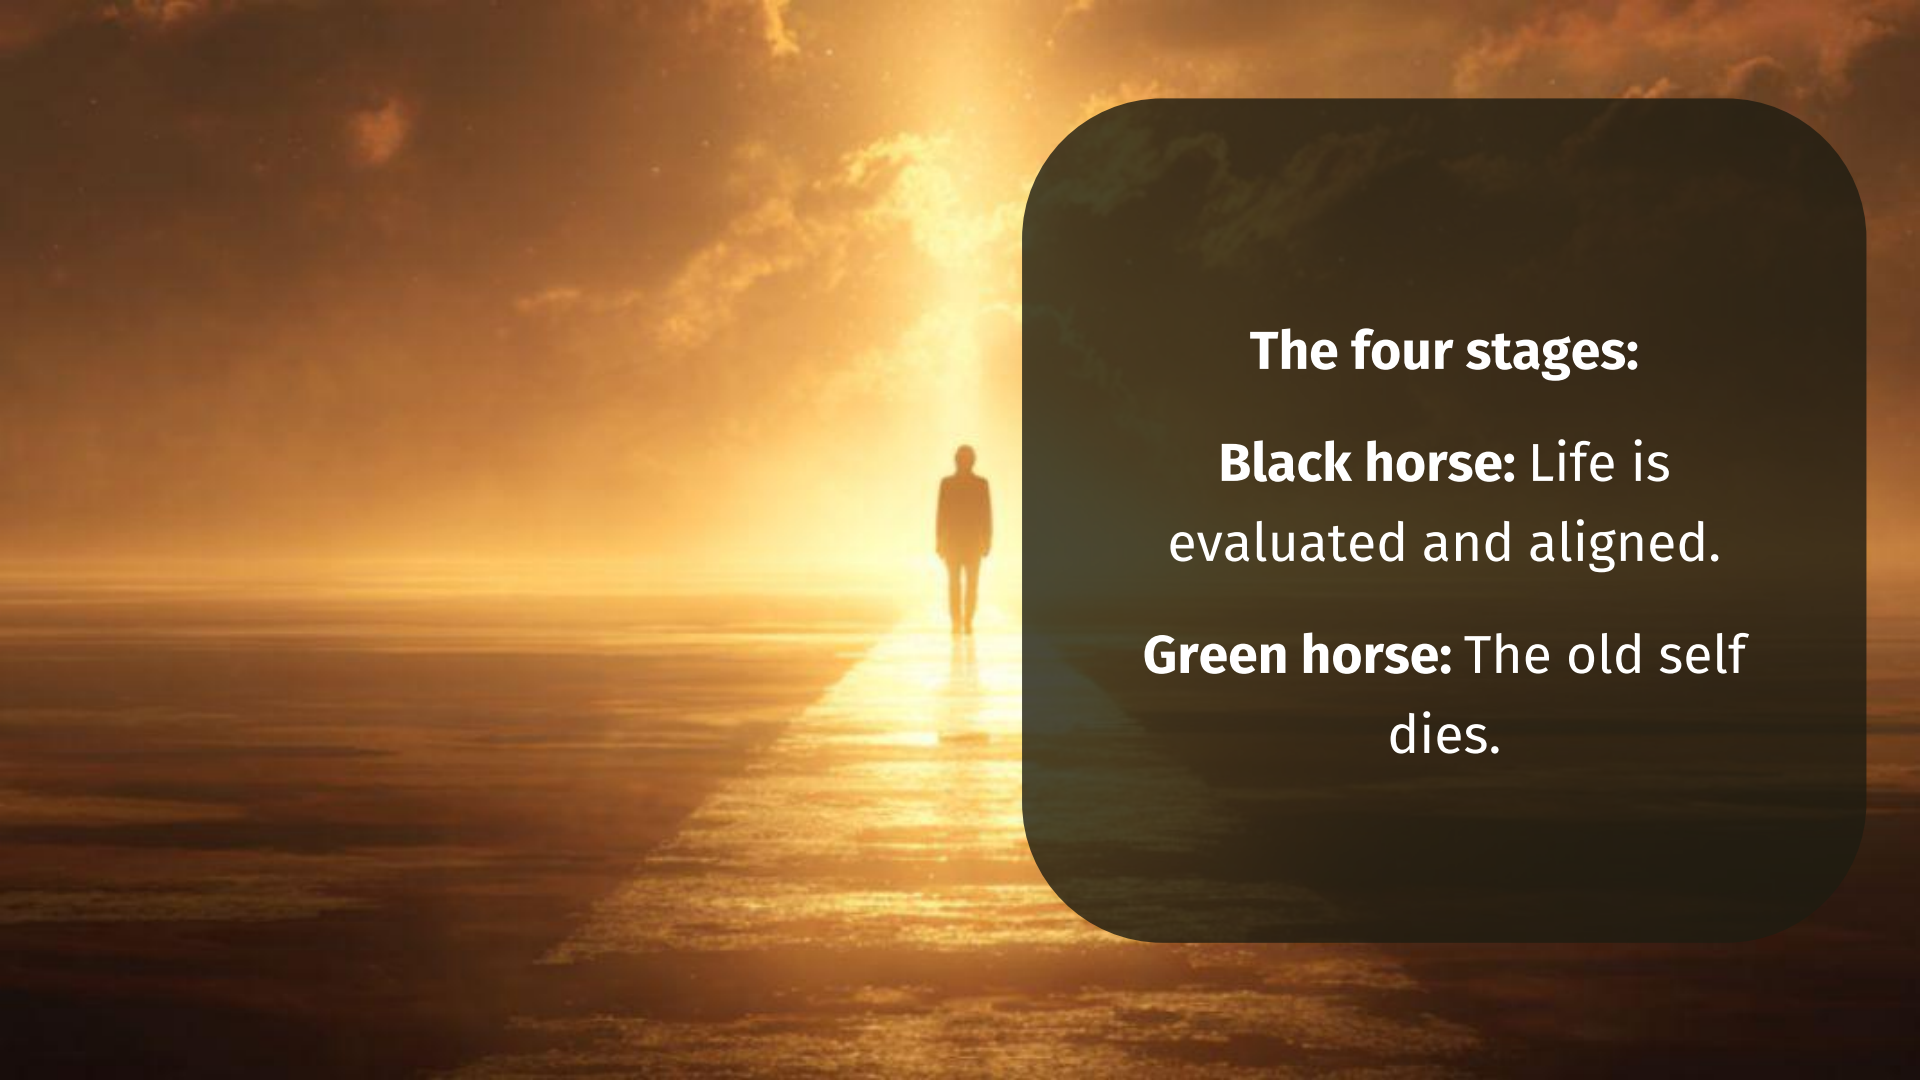

A structured spiritual  
journey.

**The four stages:**

**White horse:** Christ conquers the heart.

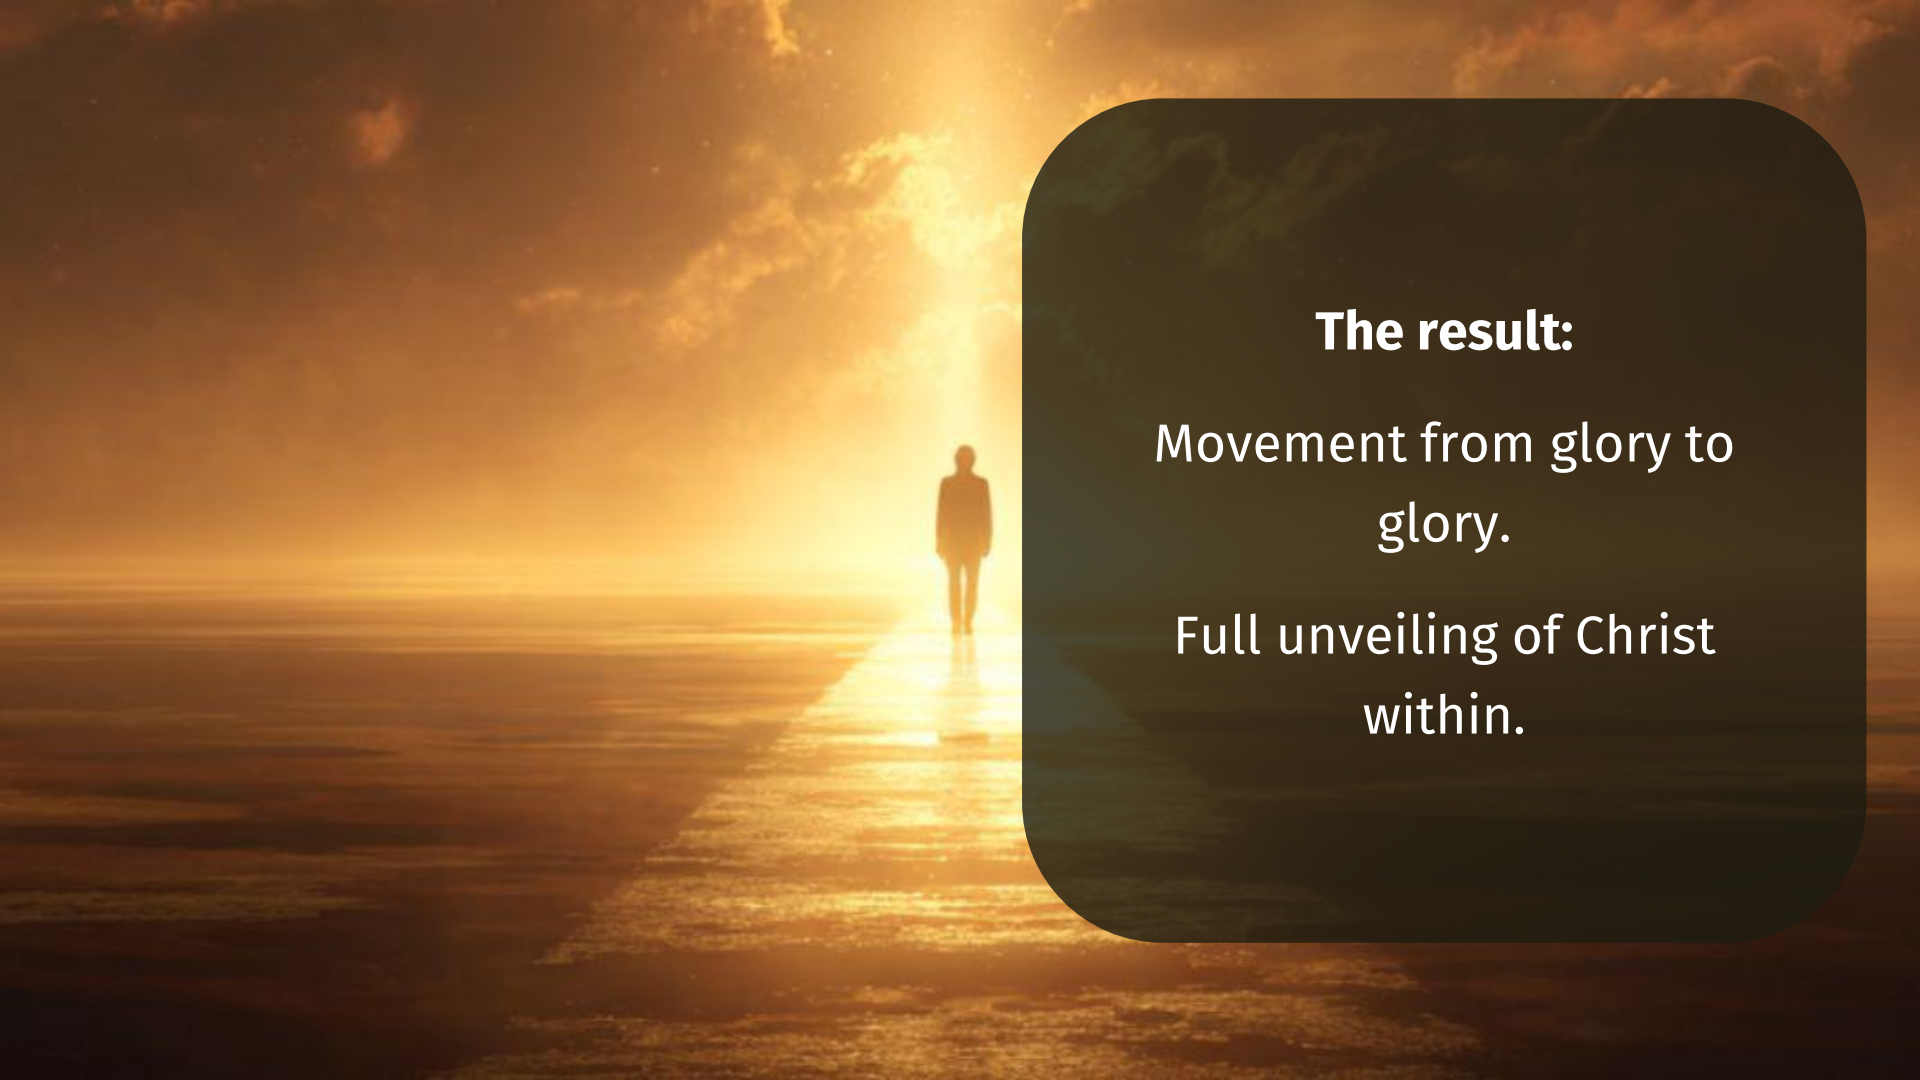

**Red horse:** False peace is removed.

**The four stages:**

**Black horse:** Life is evaluated and aligned.

**Green horse:** The old self dies.

**The result:**

Movement from glory to  
glory.

Full unveiling of Christ  
within.

A person is shown from the chest down, wearing a dark long-sleeved shirt, sitting and reading an open book. The scene is dimly lit, with a strong light source behind the person, creating a bright glow and a lens flare effect. The background is dark and out of focus.

# The Present Reality of the Riders

**Not future events only:**

Already active.

Operating now.

A person is shown from the chest up, wearing a dark long-sleeved shirt, reading a book. The scene is dimly lit, with a bright, warm light source behind the person, creating a strong glow and lens flare effect. The light illuminates the person's shirt and the pages of the book. The background is dark and out of focus.

**Where they are riding:**

Individual lives.

The Church.

The earth.

A person is shown from the chest up, wearing a dark blue long-sleeved shirt. They are holding an open book, and a bright, warm yellow light emanates from their chest area, creating a lens flare effect. The background is dark and out of focus.

**Recognizing their activity:**

White horse: Christ gaining ground.

Red horse: Conviction and division of truth.

A person is shown from the chest up, wearing a dark long-sleeved shirt. They are holding an open book in front of them. A bright, glowing light emanates from the center of their chest, creating a lens flare effect. The background is dark and out of focus.

**Recognizing their activity:**

Black horse: Alignment and  
evaluation.

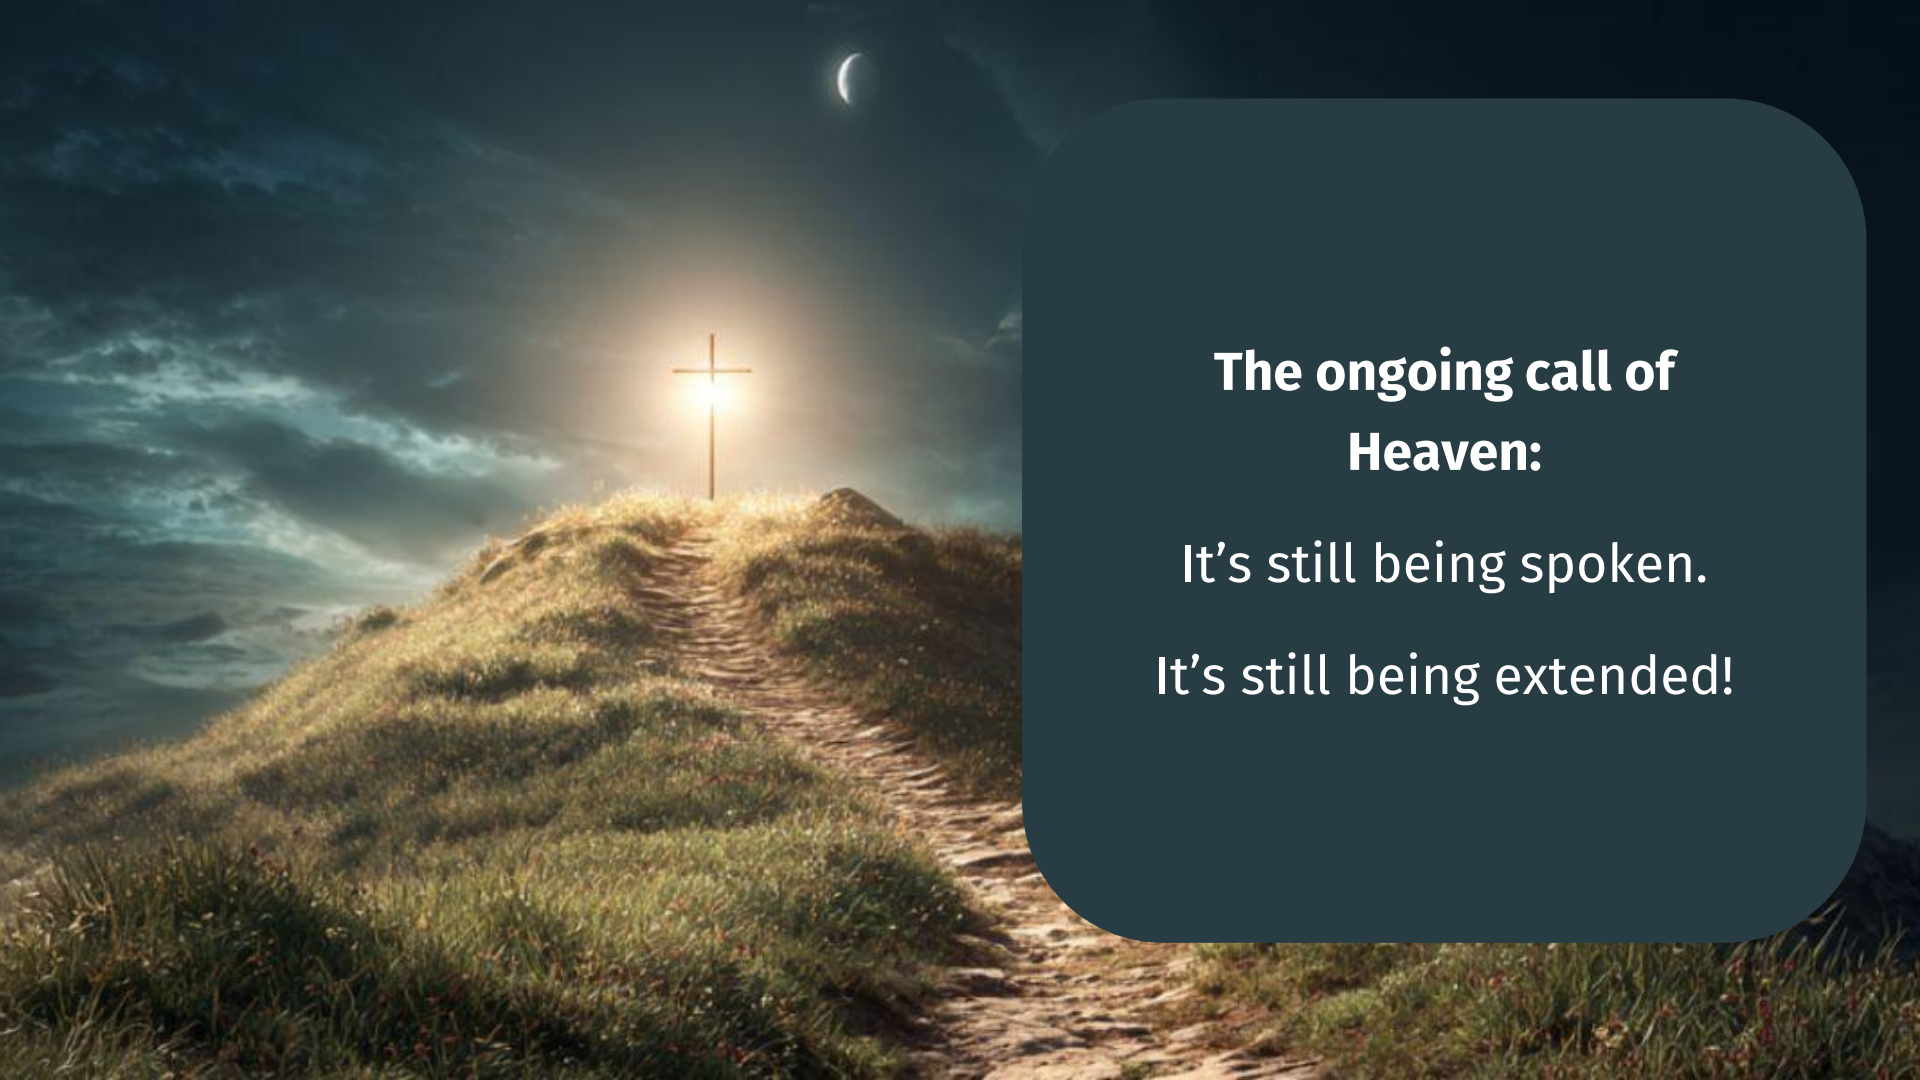

Green horse: Surrender and  
death to self.

**Central outcome:** Jesus is  
being unveiled within His  
people.

A photograph of a dirt path leading up a grassy hill towards a wooden cross. The cross is illuminated from behind, creating a bright glow. In the dark sky above, a crescent moon is visible. The overall mood is serene and spiritual.

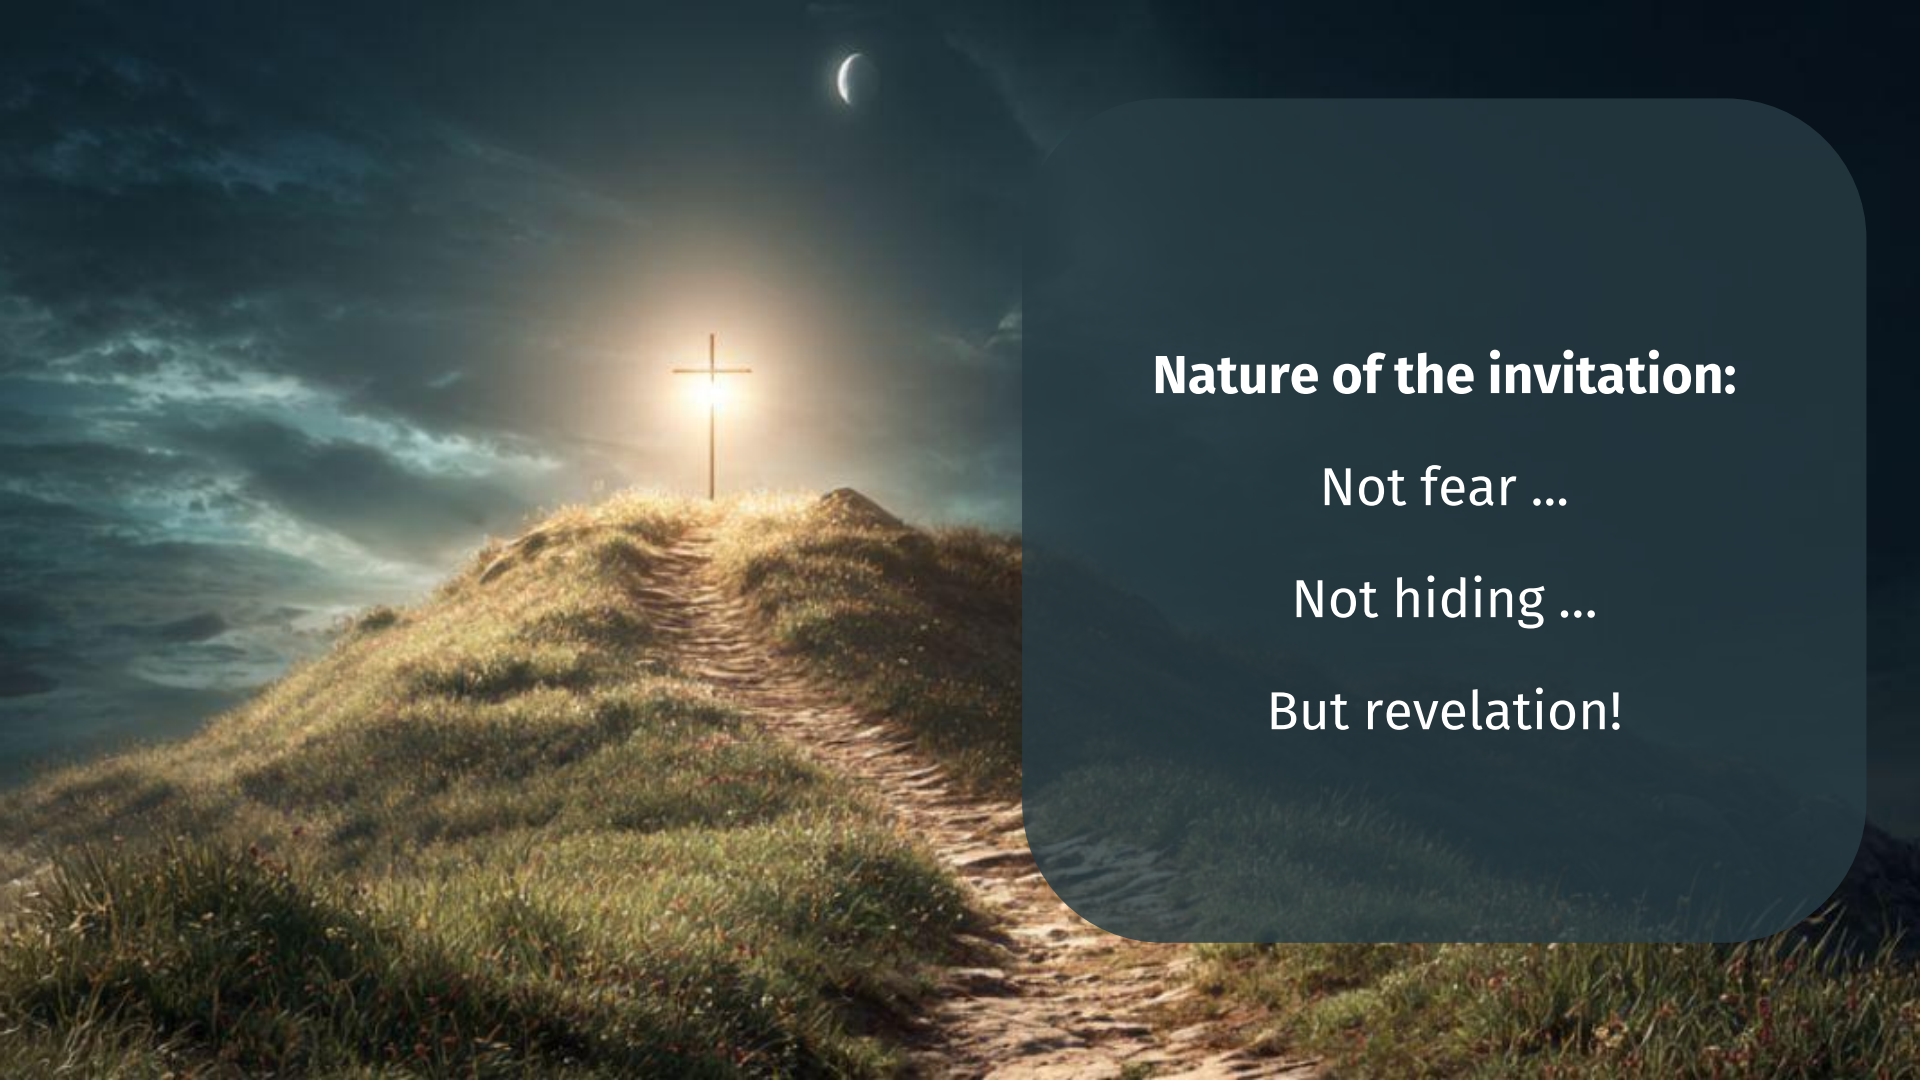

**Final Invitation: “Come and See”**

**The ongoing call of  
Heaven:**

It's still being spoken.

It's still being extended!

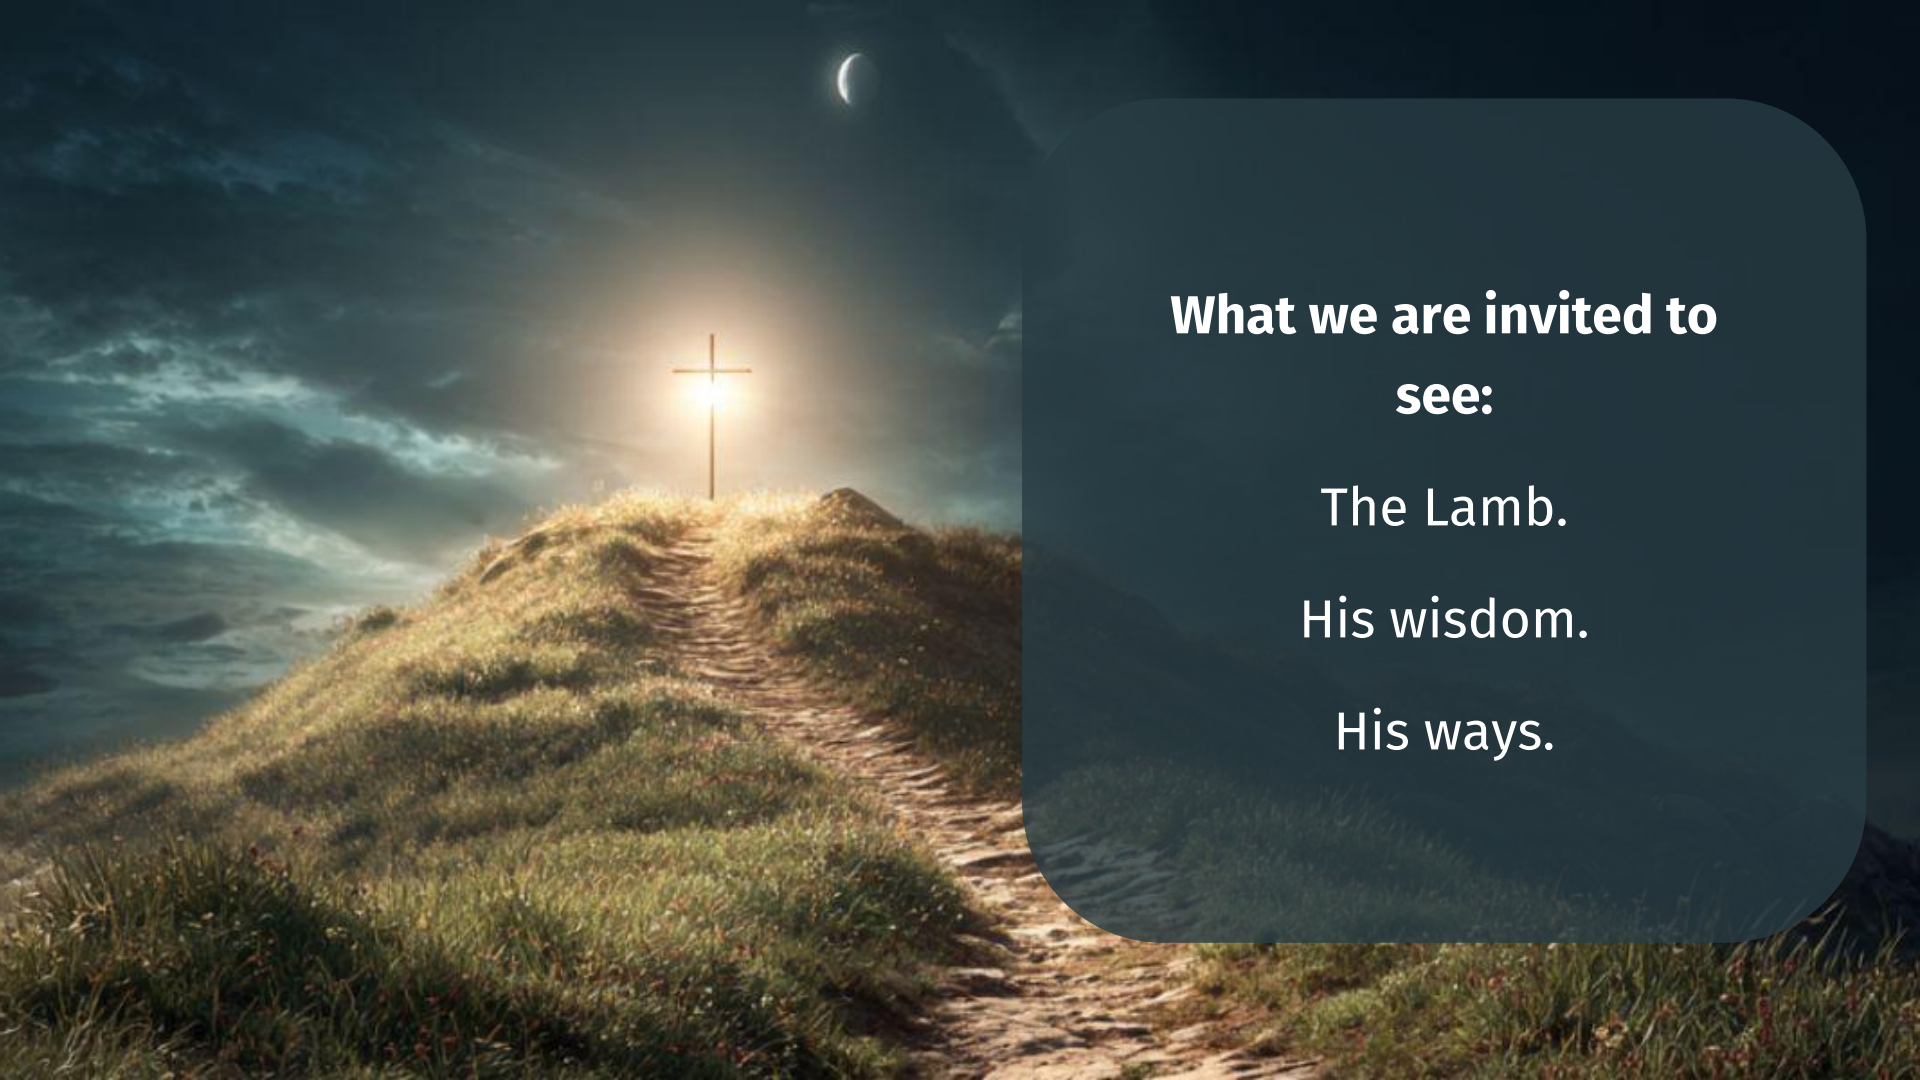

**Nature of the invitation:**

Not fear ...

Not hiding ...

But revelation!

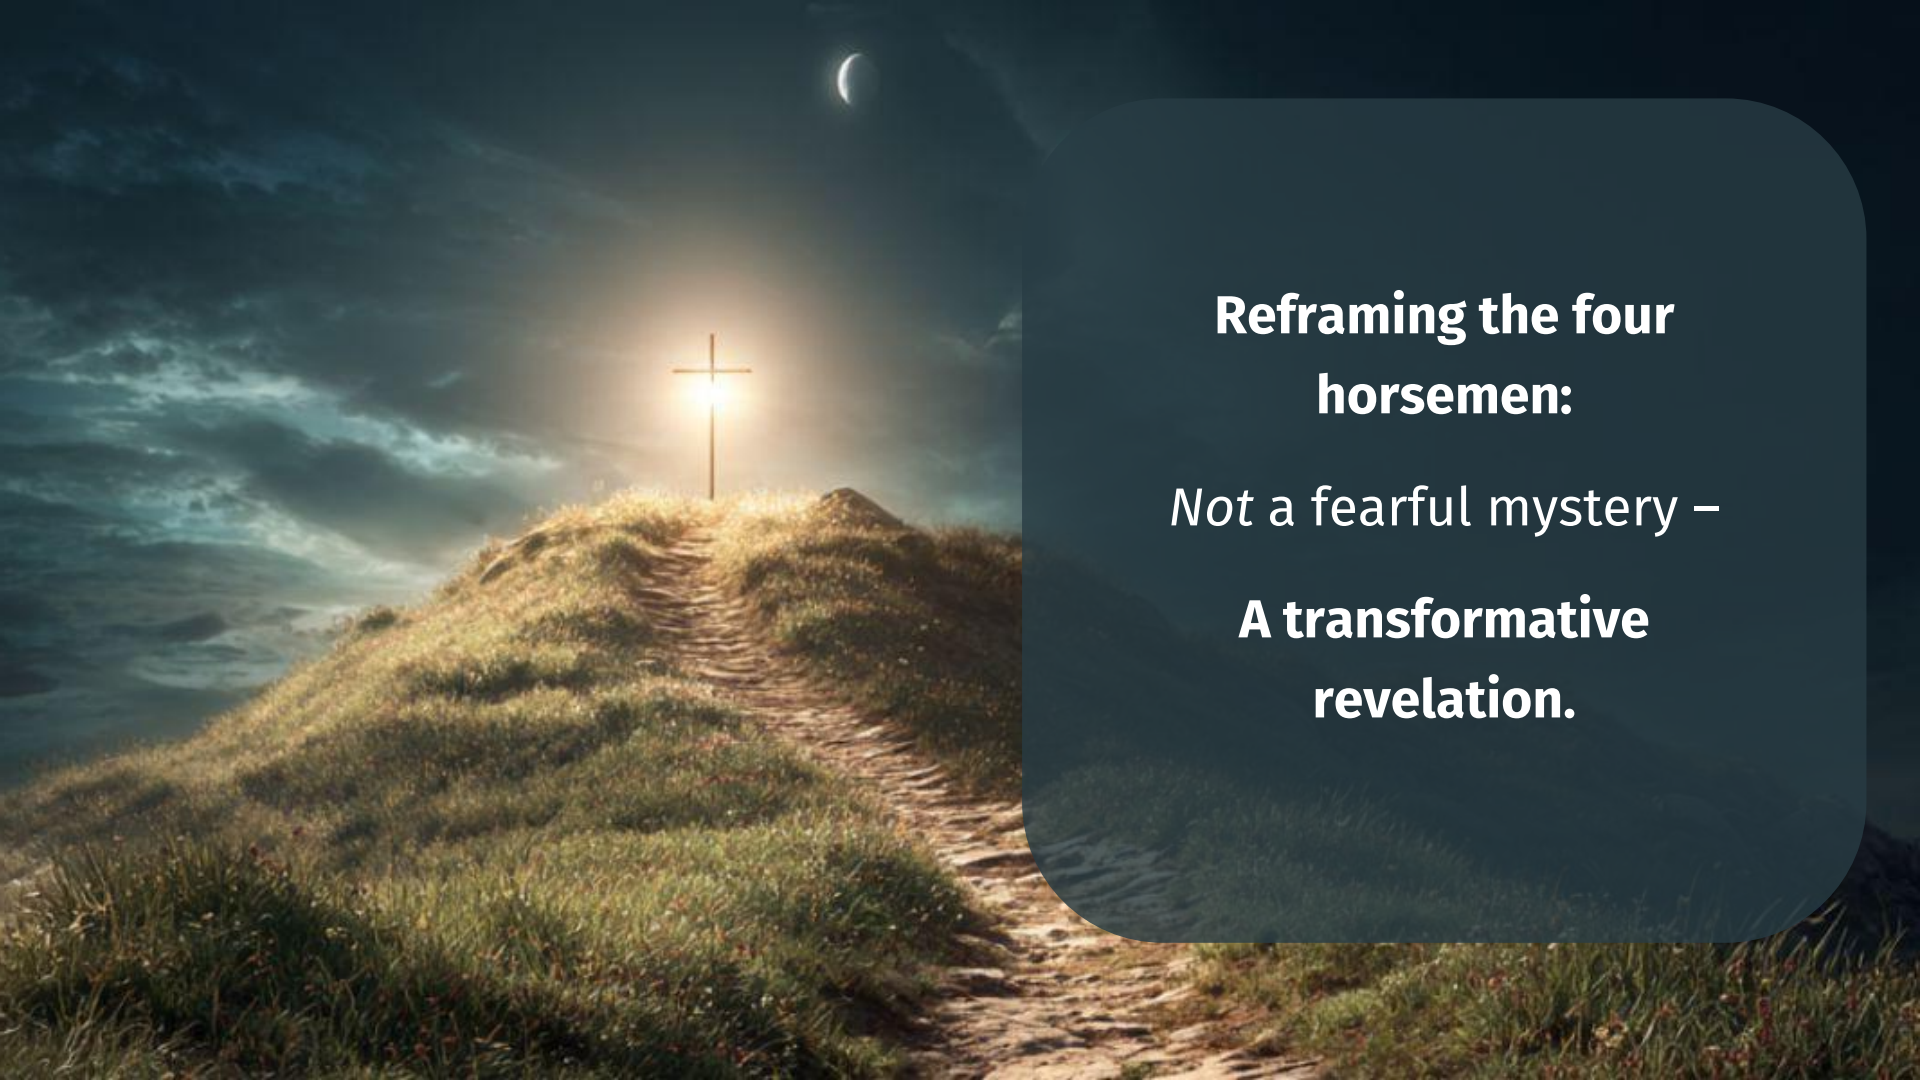

**What we are invited to  
see:**

The Lamb.

His wisdom.

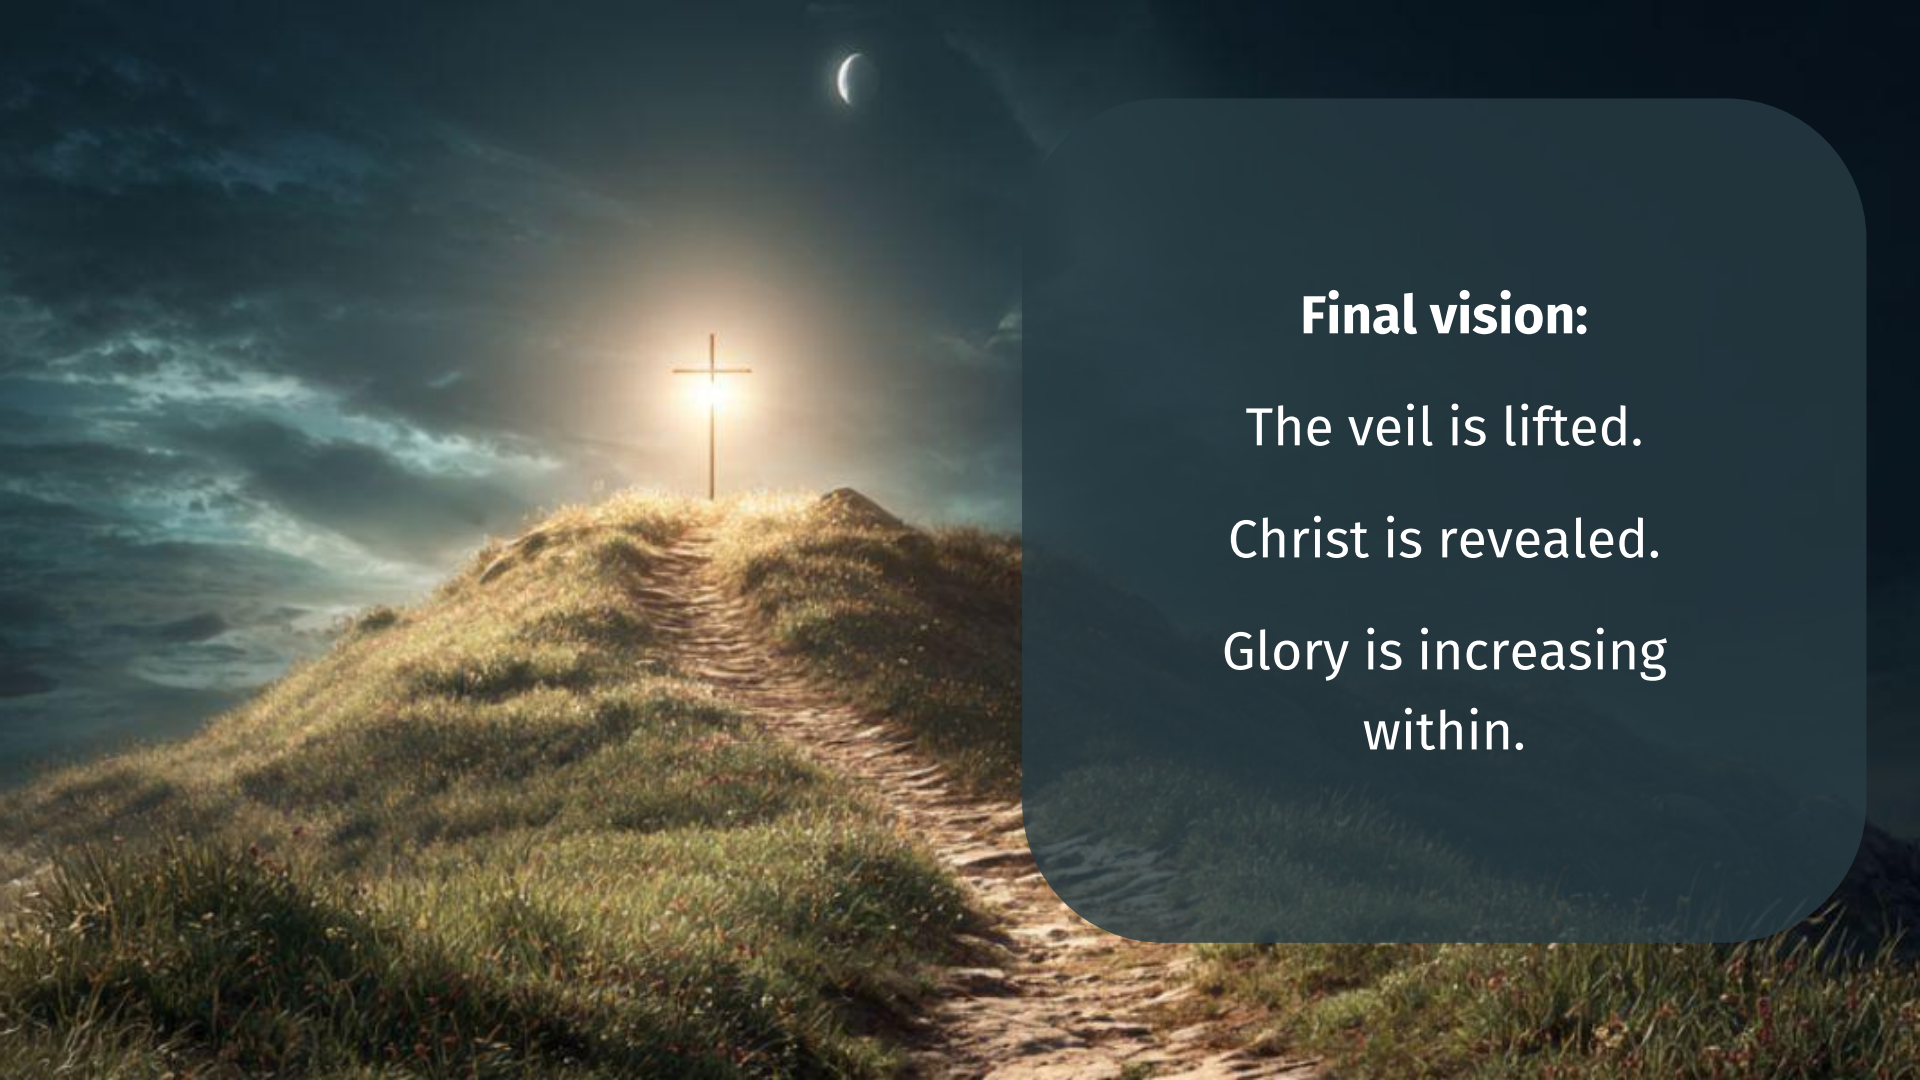

His ways.

**Reframing the four  
horsemen:**

*Not a fearful mystery –*

**A transformative  
revelation.**

**Final vision:**

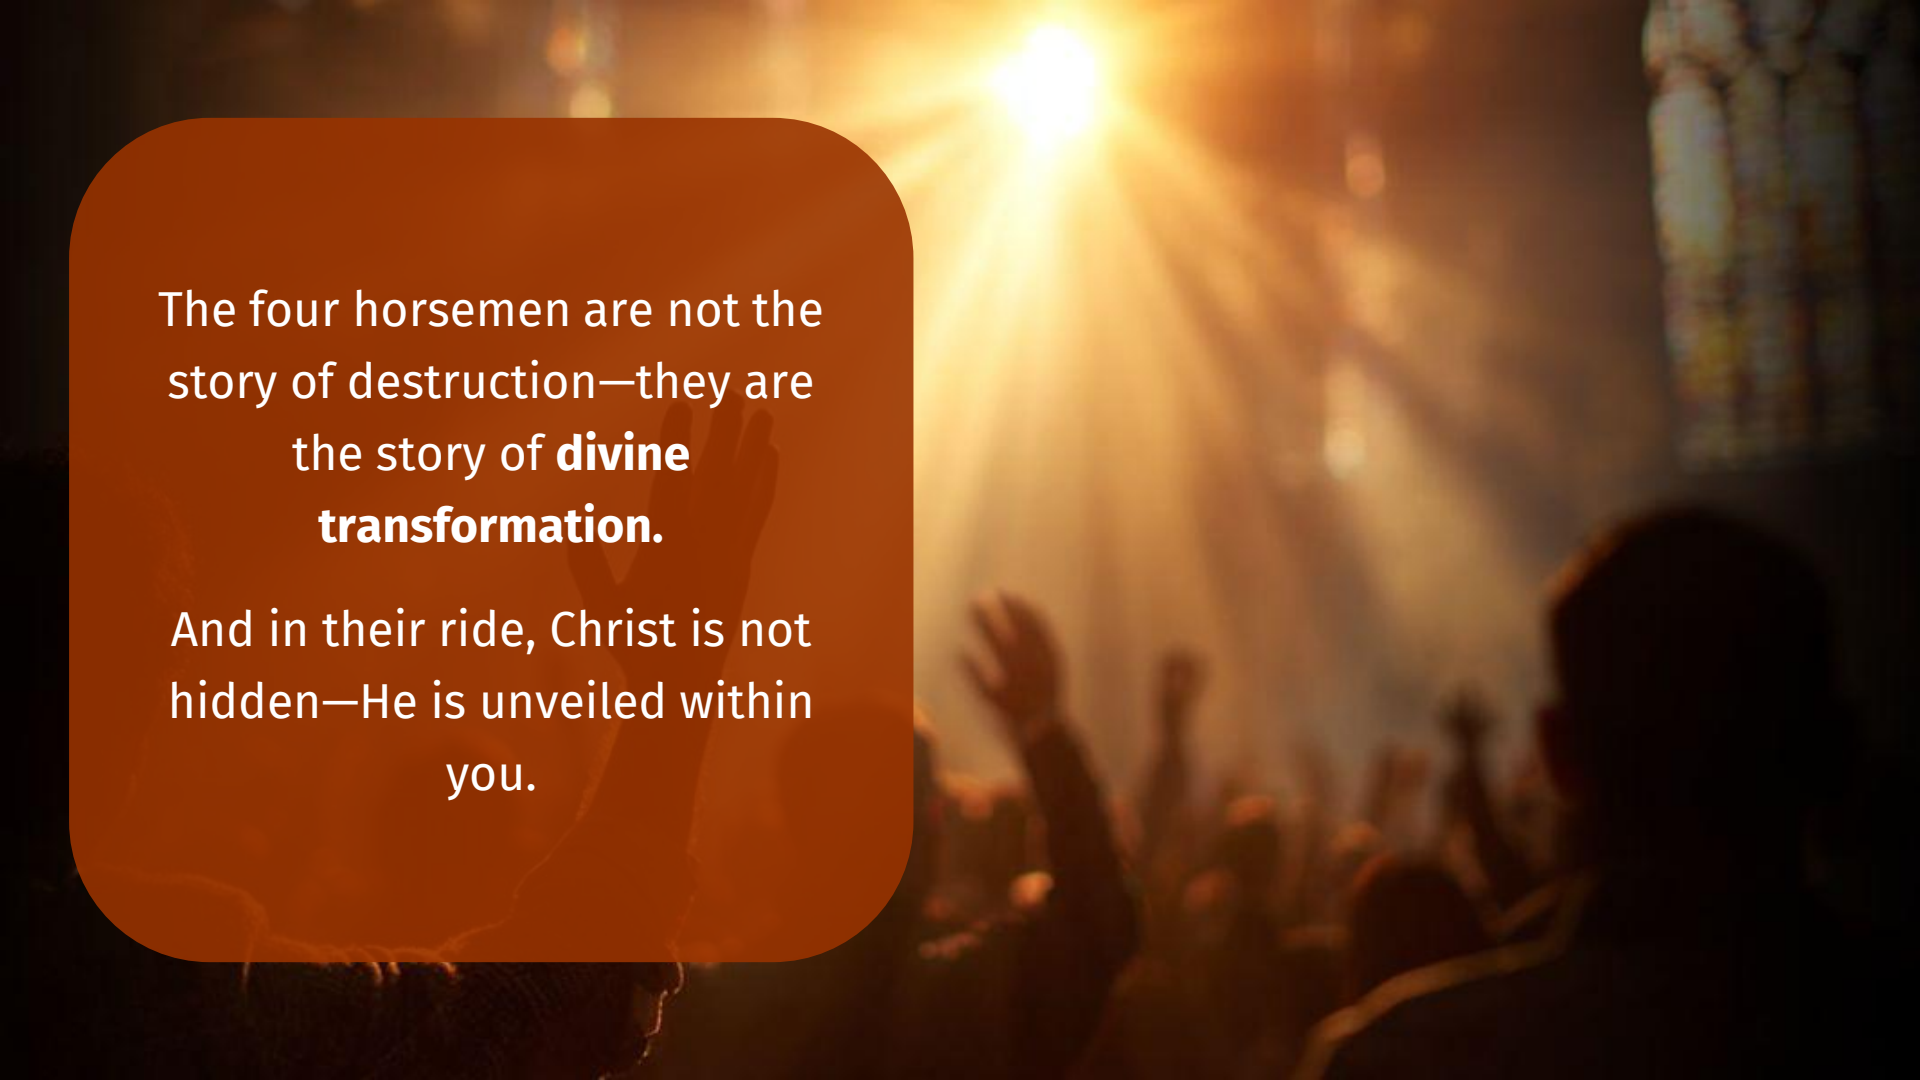

The veil is lifted.

Christ is revealed.

Glory is increasing  
within.

# Closing Statement

The four horsemen are not the  
story of destruction—they are  
the story of **divine  
transformation.**

And in their ride, Christ is not  
hidden—He is unveiled within  
you.
