Introduction

Freedom from Blood Money

Exploring how the Melchizedek Priesthood protects
wealth and souls from marketplace corruption and
'blood money'

Dr. Francis Myles

Presenter

Context

The Danger of Marketplace Prosperity

Understanding why the marketplace is more dangerous than the battlefield

01

The greatest spiritual tests often come when we are **winning**, not losing.

02

"Swords may wound the body, but prosperity... can quietly corrupt the soul."

03

Wealth gathered from conflict carries a **hidden stain** and seeks ownership.

04

Abram was vulnerable to the power of economics after defeating the kings.

The Concept of Blood Money

Why wealth from unrighteous systems requires spiritual redemption

Ownership via Touch

"Blood money always seeks ownership of the one who touches it."

Hidden Corruption

Wealth gathered from war or unrighteous systems is financed by blood.

Systemic Allegiance

Accepting Sodom's wealth instigates a silent allegiance to a demonic system.

The Melchizedek Interception

How God anchors the heart before influence expands

Sudden Arrival

Melchizedek appears without genealogy, poised to intercept Abram between war and wealth.

Divine Provision

He brings bread and wine, introducing spiritual possibilities from the superior realm.

Consecration First

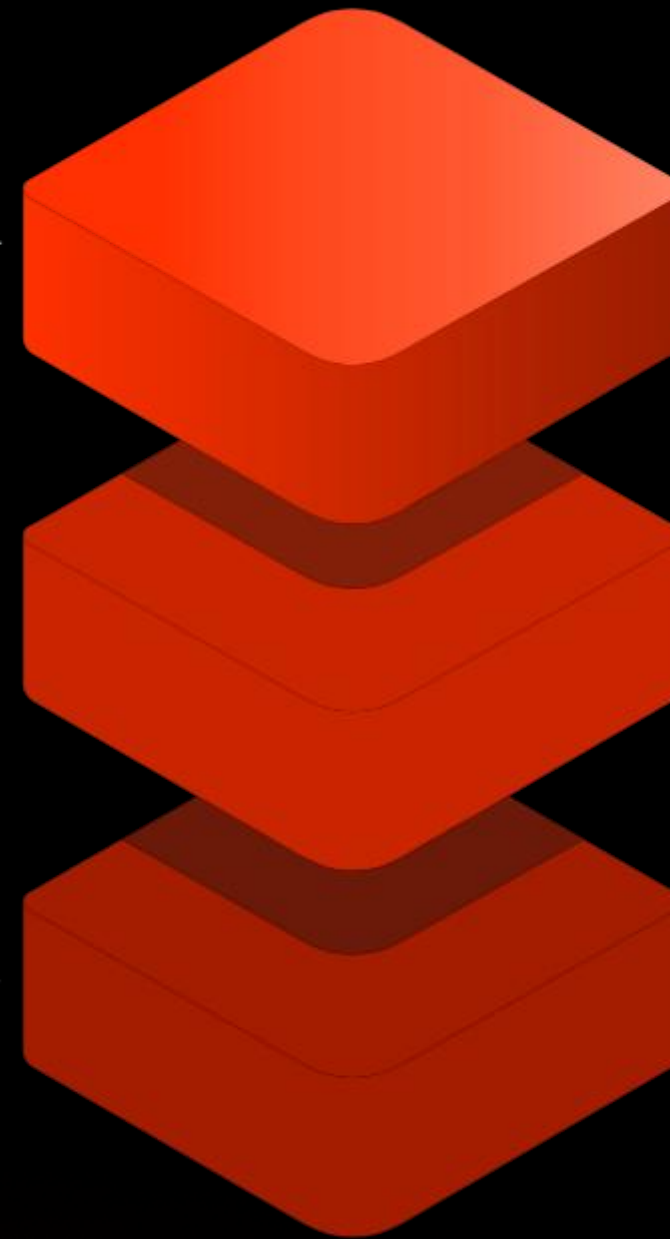

Before wealth increases, worship must deepen; hearts must be anchored in priesthood.

Three Pillars of Divine Protection

Essential safeguards against the 'blood money sport' of prosperity

Communion
Protects the soul, including the will, mind, and emotions, from marketplace atmospheres.

Tithing
Protects the wealth generated in the marketplace from spiritual devourers.

Priesthood
Protects the calling and who God called us to be from the foundation of the world.

The Conflict

The Demonic Trade Proposal

Rejecting the Sodomitic economic system of 'goods over people'

"Give me the people"

King of Sodom

Representative of the Demonic Marketplace

"I will not take"

Abram

Father of Faith

Spiritual Tech

Tithing as Spiritual Technology

The mechanics of redeeming money from a cursed economy

Economic Exorcism

Dethrones mammon and its psychological grip
Separates the 'holy' from the common
Redirects human trust solely towards God

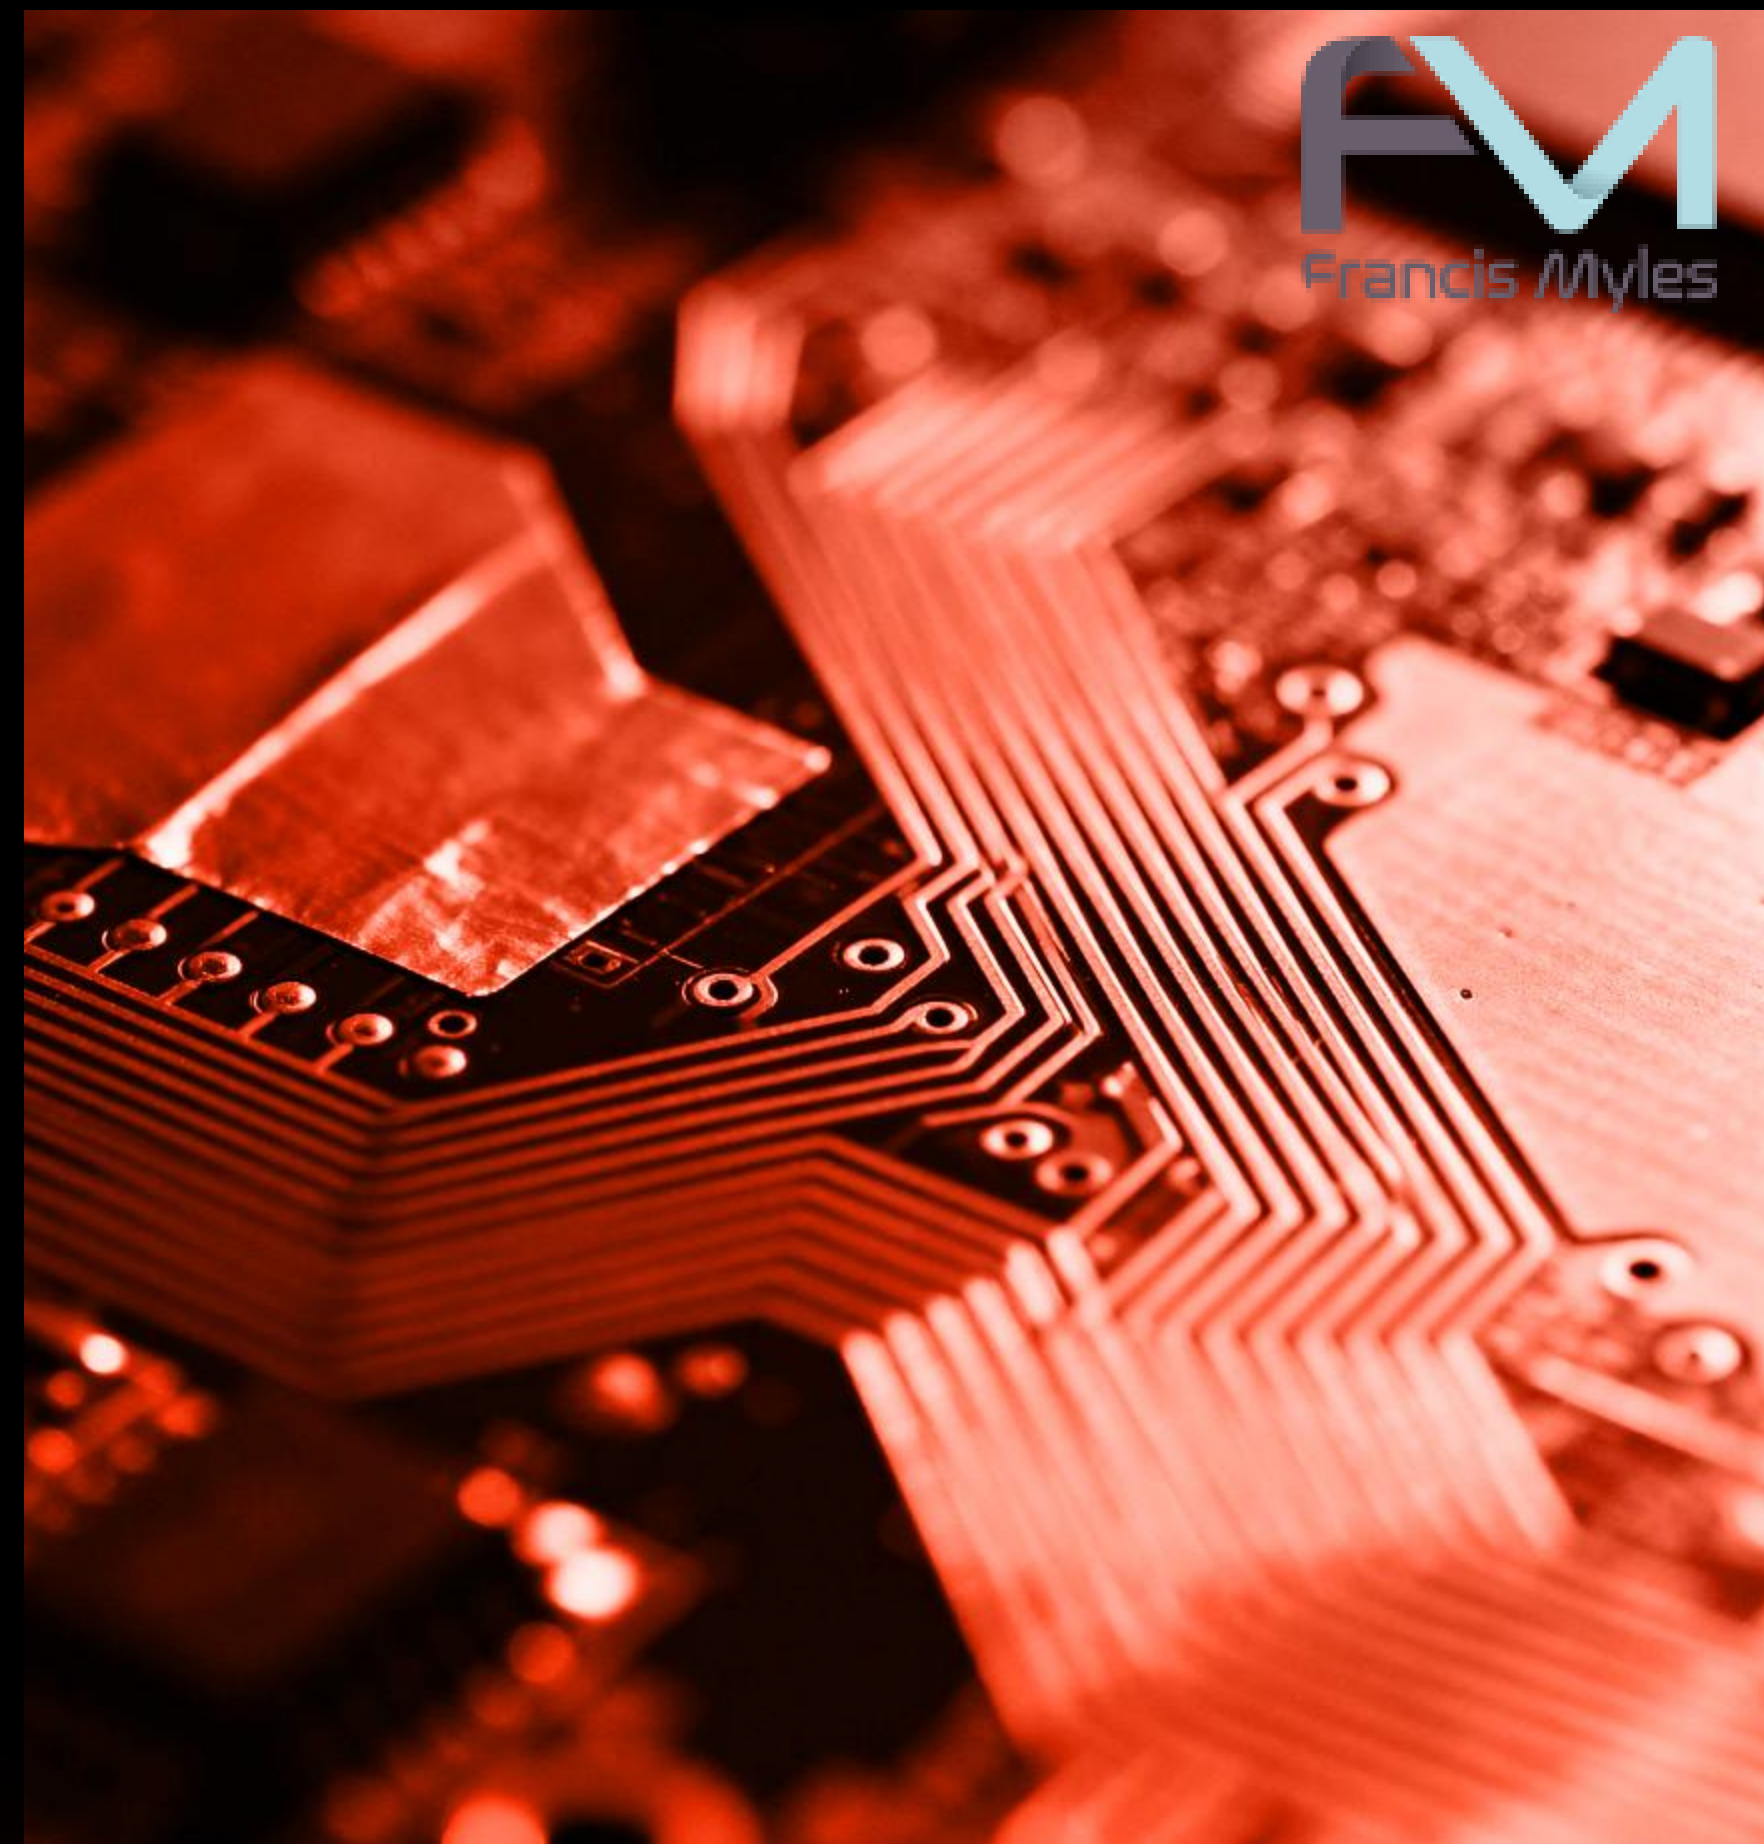

Divine Alignment

Declares that all increase belongs first to God
Willingly accepts the covering of the priesthood
Transfers economic allegiance from earth to heaven

Francis Myles

Theology

The Mystery of the Greater Blessing

Hebrews 7:7 — The lesser is blessed by the greater

Hebrews 7:7: "The lesser is blessed by the greater."

Abraham's wealth became clean by passing through the hands of **God's priest**.

The tithe broke the marketplace's claim over him: "**You cannot be owned by what you have already surrendered.**"

Positioned his descendants for **covenant promise** and future priesthood.

Impact of Spiritual Cleansing

What the tithe performs for the believer's finances and household

Sanctifies your take-home pay and avenues for revenue.

Breaks demonic legal claims over your personal finances.

Dethrones greed and prevents Mammon from becoming master.

Activates a spiritual atmosphere for divine interception around the tither.

Conclusion

Final Warning on 'Blood Money'

Warning: Taking unsanctified income as 'take-home pay' risks your soul, blessings, and eternal standing unless aligned with God's commands
