

How to Grow
Closer to God
and
**CLOSER TO
WEALTH**

Masterclass with Ray Higdon

Super Quick!

What do you hope to get from
this Training today?

I'd like to take a quick second
and give a quick tribute...

A person who added value...

- In 1988 she pulled every 7th and 8th grader in her County into a room and told them to pick a buddy.
- She made them sign a contract.. if BOTH graduate, she hands you both \$500. If one fails, nobody gets paid.
- The county dropout rate went from 35% to 6%.
- She handed out the checks herself.

A person who added value...

- When her town burned in 2016, she sent 900 families \$1,000 a month for six months.
- When the fund raised more than expected she showed up in May and handed every one of those families another \$5,000 on top.
- Then she quietly put \$3 million into the recovery group that handled the years after the news trucks left.

A person who added value...

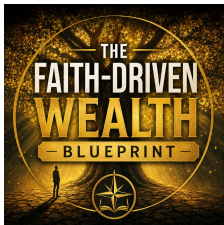

- She built her county an entire hospital.
- When Hurricane Helene came through Western North Carolina, she wrote a personal check for \$1 million and her companies matched it.
- 330 million books. Given away to children, free, no strings

A person who added value... Thank you!

Quick Question

- **Don't you want to be able to make a bigger impact?**
- What is one area you would make a difference in if you only had more resources?
 - Foster care?
 - Substance abuse?
 - Single moms?
 - Struggling teens?

Does God even want you to have money?

- *If you, then, though you are evil, know how to give good gifts to your children, how much more will your Father in heaven give good gifts to those who ask him! – Matthew 7:11*
- *Let the LORD be magnified, Who has pleasure in the prosperity of His servant. – Psalm 35:27*
- *Use worldly wealth to gain friends for yourselves, so that when it is gone, you will be welcomed into eternal dwellings. – Luke 16:9*

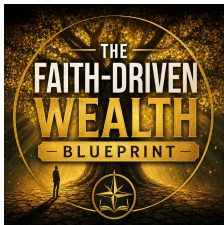

IF you want to make more Money
and You DON'T want to do this
without God, you are in
the **right place!**

Blessed Life!

- 2019 I made \$6 million but it didn't do what I thought it would do
- 2020-2022 I was on a search to find what was missing
- Nov 14, 2022 I find the Lord!
- Brought my Mom and Dad to Jesus!
- It's been an awesome adventure ever since of freedom, lessons and growth

You can have God & Money

- Over the last 3 years I've learned and taught hundreds how to hear God in prayer
- **I pray on every major and minor decision and encourage you too as well**
- God is the only one that if you surrender to Him, everything becomes better

The Devils Best Trick

Scripture teaches:

- There is no virtue in poverty
- The poor man's wisdom is despised (ECC 9:16)
- It's OK to have money, just don't let money have you
- USE worldly wealth to gain friends for yourself (Luke 16:9)

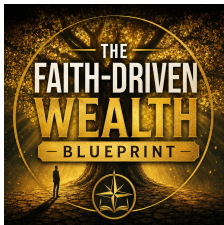

Can I be blunt with you?

You being broke or struggling
doesn't help anyone or have
anyone want to know more
about God.

Everyday I meet someone who
LOVES God but is struggling
financially...it doesn't have to
be this way.

These realizations are what
led me to create
**The Faith Driven Wealth
Blueprint** where you learn
exactly how to grow closer
with God and grow your
wealth at the same time

Who is this for?

- Someone who wants to make a bigger impact without disregarding their faith
- Someone who desires to be that city on the hill that can't be hidden
- Someone who feels they are called to more but aren't sure how to get there
- Deuteronomy 8:17-18, James 1:17, John 3:27

5 Steps to Honor God and Grow Wealth

1. Stop praying for money or wealth, do this instead
2. Stop the wishy-washy hypocrisies of you/God
3. Grow your skills but know where results come from
4. Trust in the Lord, not in your bank account
5. God cares most about **THIS** type of stewardship

Note: ** Your study guide may contain
7 reasons you may be struggling!

Step 1: Stop praying for money

- Money is a result. Pray instead for traits or impact
- **My four-step daily prayer:**
 - Love others
 - Value and add value to others
 - Grow my impact and reach
 - Help me bring more people to you Lord
- Pray for wisdom and impact instead and watch him bless your efforts

Sales = Freedom

Step 2: Stop the wishy-washy

- God made the universe. We don't pray to a creation...including ourselves
- MOST self-development has no room for God, God made your brain, tongue and imagination
- Deuteronomy 8:17-18, James 1:17, John 3:27

When I started working with Ray, I already had a multiple six figure company, but our revenue was inconsistent and I couldn't figure out why. What Ray gave me wasn't just another sales strategy. **He helped me understand kingdom finance & business principles.** The shift in perspective and understanding partnered with his years of sales experience **rebuilt my approach around prayer, obedience to Christ, and action.** That shift went beyond strategy. It changed who I chose to have in my kingdom business circle, from team members to peers, which alone shifted my business. Ray's mentorship and guidance is what **fueled my transformation into a financially consistent business,** along with the acquisition of two additional businesses. Those two local businesses are building our local economy, creating jobs, and providing opportunities to introduce more people to Jesus. If you're a faith-based entrepreneur who feels like your income doesn't match your effort, Ray will help you close that gap from the inside out. I can't recommend him enough.

Step 3: Grow your skills

- Psalm 78:72 He cared for them with a true heart and led them with skillful hands.
- God connects us with His people to teach us, Jethro is a good example
- Prayer has led me to MANY people who helped me

Before I got help from Ray, my faith and money were separate! He helped me see that partnering with God and combining my faith and money is not only healthy and helpful, but biblical!

He helped me uncover a belief from my childhood that “I didn’t need money.”

He taught me how to partner and seek answers from God in my business and my finances, which completely changed my prayers and guidance.

This has changed everything for me, and I’ve never felt more abundant and in control of my finances!

Ray’s help has not only changed my faith and my finances, but these lessons and the benefits will carry on to benefit my children’s children because I am breaking generational beliefs that kept me stuck.

Step 4: Trust in the Lord, not in your bank account

- Chapter one of my book Faith Driven Wealth is titled “Money was my master but only when I was broke” Anyone resonate with that?
- God wants you to trust Him, not what you have stored in the bank.
- Proverbs 23:5 Will you set your eyes on that which is not?
For *riches* certainly make themselves wings; They fly away like an eagle *toward* heaven.

Was that helpful?

Step 5: Stewardship

- Yes, He wants you to steward the money He gets you but more importantly, He wants you to steward the people He places in your life
- John 6:37 All that the Father gives Me will come to Me, and the one who comes to Me I will by no means cast out.
- Love, Value, Serve others and He will bring you more!

Who needed to hear that?

Ray Higdon has made a tremendous impact on both my faith and my finances. His coaching helped me develop the confidence to speak with anyone, overcome my fear of hearing “no,” and significantly increase my income.

Since working with Ray, at least five high level leaders have told me that I’m the best networker they’ve ever seen. Ray is a huge reason for that growth.

More importantly, **Ray helped me reconnect with our Heavenly Father and deepen my trust in God.** He’s been an incredible coach, mentor, and I’m truly grateful for the impact he’s had on my life.

Sean Kelly

Nine years ago when I met Ray, I was a dead-broke single father who honestly felt hopeless and didn't even know what direction my life was going.

But one of the biggest things that stuck with me early on was Ray saying, **"If you can't afford to invest in yourself, you can't afford NOT to."** I actually couldn't afford to go to his event—but hearing Ray say that is WHY I found a way to go. And that decision started changing how I looked at investing in myself, my time, and eventually my finances.

But honestly, the biggest impact Ray had on me wasn't even financial.

Ray helped me work through and forgive some really deep wounds from my childhood.

I trusted Ray and looked up to him, so when I watched him give his life to Christ, it made me want to go deeper too. That became part of my own journey of surrendering my life to Jesus, and it has completely changed my life.

And something Ray told me that I carry with me today is, "God is the source. Money is a resource."

Nine years later, my finances are completely different—but more importantly, I'm completely different.

Ray, I'm just grateful, man. Your impact on my life went way beyond business. You helped change the trajectory of my faith, my finances, my family, and ultimately the man I became.

Ray Higdon has completely changed the way I look at business. Instead of chasing success, **he showed me it's about loving people, adding value, and trusting God with the results.**

That shift has brought more peace, purpose, and growth than striving ever did. My business has grown exponentially because I stopped trying to be the CEO and let God lead.

Thank you, Ray!

Serious Question:

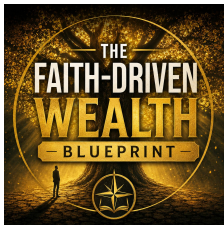

Would it be worth a one-time payment of almost \$2,000 to create the life of your dreams, all while walking in Faith?

How many more years will you
spend wondering how to grow
your faith and wealth?

Well over a dozen times I have invested more than 2k into my education for less than what is contained in this program but...

What if I could make it a little
easier of an investment?

What if I cut the investment by
about half and you could get
started for \$1,000?

Before we get to Q and A, I have
two last things to share

Right now, we are doing our back-to-school initiative, and you can get everything I talked about today for a one-time investment of only \$300 or we even have a payment plan!
